

**THE FINAL PIECE** of pipe completing a 7,006 foot new water line from 24th Street and Madison Avenue along Madison Avenue to Jill Avenue and Nameoki Road is installed by employees of Bland's Construction Co., under contract with the Illinois-American Water Co. The new 16-inch water main is expected to greatly increase the flow of water to the northeastern sections of Granite City and will increase pressure to fire hydrants to more than 1,000 gallons per minute per hydrant. At the left is Robert Jackson, water company manager, and at right is George Bland of the contracting firm.

## 16-inch water main, hydrants completed

With the opening Friday of the new 16-inch diameter water pipe along Madison Avenue, a major connecting artery is completed and operating between downtown Granite City and the Nameoki Road area, according to Robert L. Jackson, district manager for Illinois-American Water Co.

Flushing and sterilization of the line took place last week and the valves were opened Friday after two tests, conducted 24 hours apart, showed the water through the new pipes is clean and safe.

The completion of the water line coincided with the completion of "Better Water for People Week" across the United States.

According to Jackson, "This new main will greatly reinforce the flow of water to the northeastern area of town." A total of 7,006 feet of 16-inch pipe was installed, extending from 24th Street and Madison Avenue, where it connects to a 24-inch main, north-easterly along Madison Avenue, across the Granite City High School South school yard to Jill Avenue and Nameoki Road, where it connects to and reinforces a 12-inch main near the entrance to the high school and Coolidge Junior High School.

Five new fire hydrants also were installed with the new water line. Three are fronting the high school, at the request of the Granite City Fire Department and the Granite City Board of Education. Others are at 26th Street and Madison Avenue and between 26th and 27th streets at Madison Avenue.

Installing the new pipe involved taking up the sidewalk on the north side of Madison Avenue, hauling away the broken concrete and excavated material, installing the pipe and backfilling with sand which was delivered by truck. After the sand was compacted, forms were set and new sidewalks and street crossings were poured, Jackson explained.

He said he would like to explain why the water company has kept coming back and breaking up sections of the new sidewalk and digging both in the new sidewalk and street.

"The reason," he explained, "is that

all residences and businesses, totaling 283, on Madison Avenue are connected to a two-inch galvanized water line." (Continued on Page 7)

# Court ruling may affect GC lawsuits

A new Illinois Supreme Court decision which could drastically effect the outcome of pending lawsuits against Granite City will be discussed in a private session by the Granite City Council at 7 p.m. Tuesday, May 19, one hour before the next regular meeting of the council.

Assistant City Attorney Irvin C. Slate Jr., said the Supreme Court's decision changing the method of determining responsibility in injury and fatality lawsuits is likely to have a direct bearing on a suit to be tried June 8 in Madison County Circuit Court.

Mrs. Mary Sweeney of Granite City is suing the city for injuries she received when struck by a Granite City police squad car on Niedringhaus Avenue at the north side of St. Elizabeth Medical Center Dec. 27, 1978. Mrs. Sweeney's husband's aunt, Mrs. Dora S. Sparks, 79, of Granite City, died in the hospital's emergency room about 45 minutes after the accident.

A lawsuit on behalf of Mrs. Sparks' estate is yet to be heard in court, but a separate suit filed by Mrs. Sweeney is ready for jury selection June 8. Mrs. Sweeney seeks fair and reasonable compensation for her injuries and loss, well in excess of \$15,000. She suffered a dislocated right shoulder, abrasions to her left thigh, arm and hand and right hand and face, cuts to her mouth and chin and a large bump to her forehead, according to reports at that time.

The accident occurred when Patrolman Don Petrillo received a call of a known police character with a gun causing a disturbance at Hoppe's Tavern, 2815 Edwardsville Road. The call turned out to be a prank or was called before Petrillo arrived, but Petrillo was unaware of that when he turned on his car's red lights, Opticom and siren and approached the hospital. He turned the siren off when approaching the hospital, which is standard practice in a hospital quiet

zone and the two women were unaware the police car was approaching when they alighted from a westbound auto in mid-block and began crossing Niedringhaus Avenue, toward the hospital.

Petrillo locked the brakes of the squad car and swerved to the right, attempting to go over the curb and onto the sidewalk to miss the women, but the right tires slid instead along the curb, keeping the car in the street, where it struck the women.

Slate said the defense the city has prepared may no longer be valid and he would like to discuss it with the city council in private caucus. Under the old law, if it could be determined that Mrs. Sweeney was negligent and contributed to the accident, the city is not liable. He planned to show that by crossing in the middle of the block, rather than on the crosswalk and light, the two women contributed to the accident.

However, on April 21, 1981, the Illinois

Supreme Court rendered a majority decision in the case of *Alvin vs. Ribar* abolishing the doctrine of contributory negligence and adopting a standard of "pure" comparative negligence.

Under that standard, the city may be responsible for some or all of the damages suffered by Mrs. Sweeney. Slate commented, calling the Supreme Court's decision, "very, very significant to this case."

Portions of an article written by Charles Evers III, a Collinsville attorney, explaining the new ruling follow.

The doctrine of contributory negligence denied a person recovery if he had contributed to the fault of his accident. It was developed in the common law in an English case, *Butterfield vs. Forrester* in 1809; it was first adopted in America in 1824 by the Massachusetts Supreme Court. Con-

## Plan Commission asks attorney attend regular meetings here

The attorney for the Granite City Plan Commission will be requested from now on to attend the commission's regular meetings or to send a representative, the commission has decided.

The commission's next meeting will be at 1:15 p.m. Thursday in the mayor's conference room on the top floor of city hall.

The failure of board attorney Robert Hennesse to attend the April 28 meeting of the commission was assailed by several members who wanted points clarified before the commission voted on the request of Reclaimed Iron and Metal Co. to operate a railroad car salvage

operation at 2701 Missouri Ave. (for-

After lengthy discussion, the commission endorsed the requested zoning change from M-1 to M-2 heavy industrial zoning and the Granite City Council voted last week to accept the commission's recommendation and approve the rezoning, despite opposition by more than 600 area residents.

Alderman Paul Ray Bowler, who then was chairman of the council's planning and zoning committee, questioned whether Andrew DiGiuseppi, who is to be the plant manager, had the authority to sign zoning agreements on behalf of the

parent company, Piolet Brothers, and if Piolet Brothers would be legally bound to abide by any agreement signed by DiGiuseppi.

Without an attorney present, the board had to vote without an answer to its question. Several other minor legal points were raised at the meeting, leading commission member Barry Lohman to ask, "What can we do about having an attorney present?" Chairman David Morgan agreed to write a letter to the city council asking them to instruct the attorney to attend all future meetings. That letter has not yet been presented to the council.

Other recommendations of the Plan Commission adopted by the city council last week included approving the annexations of the properties of Bernard and Mary Chosich, 2501 Westmoreland Drive in Town and Country East, and of Stephen and Jacqueline Glasgow, 2549 Buenger Blvd., in Wilshire Manor's eighth addition.

The commission also studied plans for the proposed Buehrer Subdivision on Route 203 near Alexander's Restaurant and gave them courtesy approval. The property is not within the city limits, but is within a 1½-mile radius, so it

requires city council approval, which was subsequently granted.

The council also approved the following requests on the recommendation of the Board of Appeals, which met April 15.

Charles Parks was allowed to construct a garage three feet from the side property line, Phillip Mull, 2557 Lincoln Ave., may construct a carport one foot from his side property line, Barry Rideout, 321 Wilson Park Lane, and Chester Baron, 2657 E. 27th St., were allowed to build garages 1½ feet from the side property lines and Mrs. Ueva Wuerli, 2918 Marshall Ave., was allowed to build a carport two feet from the side property line.

William Tanner, 2624 Pontoon Road, requested authorization to construct a garage four feet from the side property line, Jack Kabareki, 2646 Ralph St., asked to construct a room addition and attached garage three feet from both property lines and Scott Laird, 2810 Indiana Avenue requested authority to build a carport two feet from his side property line. All requests were approved.

## Student-Employer dinner is Tuesday

By VALERIE EVENEDEN of the Press-Record

David Hutchinson, director of the Granite City satellite office of the Madison County Council on Alcoholism and Drug Dependency, will be guest speaker at the seventh annual "Student-Employer Appreciation Banquet" at 6:30 p.m. Tuesday.

The dinner is given each spring under the auspices of the Granite City School District's Off-Campus Education Program and the Off-Campus Advisory Council.

Its primary purpose is to show appreciation to the various employers throughout the community who hire local high school students under the school-work program and to recognize the efforts of the student participants. Donald R. Shaffner, Off-Campus coordinator, said.

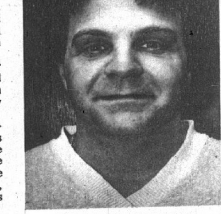

The banquet will be held in the auditorium at the Granite City Township Center, 2060 Delmar Ave.

More than 400 students and employers attended the event last spring. At the present time over 300 students from both Granite City high schools participate in the Off-Campus Education Program with 120 employers taking part.

The guest speaker was born and reared in the Quad-City area and is a graduate of Madison High School.

He has been employed by the Madison County Council on Alcoholism and Drug Dependency for the past six years and serves as clinical supervisor for the council, as well as director of its satellite office at 1254 Niedringhaus Ave.

In addition, Hutchinson has been in private practice as a marriage and family counselor for three years, with offices at the same Niedringhaus

Avenue address.

He earned his master's degree in Social Work from Washington University, St. Louis, and received his undergraduate degree in Psychology and Human Services from Southern Illinois University at Edwardsville.

Hutchinson and his wife, Patricia, are the parents of two daughters, Bethany, 7 years, and Rebekah, nine months. The family resides in Granite City.

The speaker will address the guests on the topic, "Psychology of Work," relating the importance of work on self concept.

The Granite City School District's Off-Campus and Extended Classroom program enables the junior and senior

year high school student to gain experience in various job opportunities while continuing his or her high school career.

Some student participants enter the program to learn a variety of job skills preparation for entering a specific field after graduation.

Others taking part discover that the stability and responsibility which go with a job also help them finish their formal education, according to Shaffner.

Recent statistics show 40 percent of the local high school population continues on the college, but from that 40 percent at least 60 percent never finish, Shaffner said.

The Off-Campus and Extended Classroom program, therefore, provides another alternative to a student in the remaining 60 percent who doesn't want to go to college in the first place, the program coordinator noted.

Those enrolled in the program are junior and senior students and the basic requirement is they stay in school while working, he stressed. And, in the majority of cases, it works, Shaffner added.

To augment the professional personnel working with the students, an Off-Campus Advisory Council was established, consisting of employers, former student-participants and others interested in the program.

Evaluation of the overall program, both from the student and employer aspect, is among the council's tasks, Shaffner explained.

David Schermer is the council's current president.

## School closings begin in area late this month

By DONNA KIMBRO of the Press-Record

Students attending Quad-City schools will begin summer vacations on various dates at the end of this month and the beginning of June, according to announcements by principals of parochial and private schools and area Board of Education superintendents.

The earliest dismissal date is for Gateway Christian Academy located at 2067 Benton St., which holds its final day of classes on Friday, May 22.

Central Baptist School, 3940 Highway 111, will dismiss students at 12:30 p.m. on Friday, May 29, and summer vacations for pupils at Colonial Christian Academy, 2450 Pontoon Road, will begin after 12 noon on Tuesday, June 2.

Metro-East Lutheran High School will hold final classes on Friday, May 29, and will dismiss students at 2:15 p.m.

Two parochial schools, St. Elizabeth Catholic School and Sacred Heart-St.

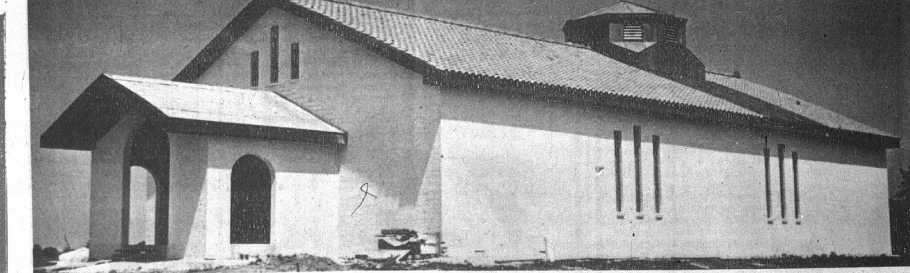

Joseph Catholic School will hold only half or partial day class sessions on Wednesday, May 27, and St. Margaret Mary and St. Mary-St. Mark Catholic Schools plan to dismiss the students on Friday, May 29.

Granite City public schools will hold their final day of classes on Monday, June 1.

Both North and South High Schools will close for the summer after dismissal at 9:10 a.m., the elementary schools will hold sessions until 10:30 a.m. and junior high schools plan to begin the summer vacation at 11 a.m. on the above date.

All students enrolled in Madison public schools will begin their annual vacation after a half-day session on Friday, May 29.

Those pupils attending Venice public schools may go to the schools from 9 a.m. to 1 p.m. on Friday, May 29, to pick up their report cards, but there will not be any classes conducted on the final day.

**SS CYRIL AND METHODY** Eastern Orthodox Church under construction at 4770 Maryville Road south of Morrison Road. The green, Spanish clay tile roof and floor joists of the church were obtained from Sacred Heart Church in East St. Louis at the southeast corner of the interchange of I-64 and I-70 prior to that church being

razed for highway improvements. Some members of the parish, which has a congregation of about 100, have done portions of the construction and preparatory work. The structure has yet to be consecrated, but has been put into use by the parishioners. Constantine Michaeloff Jr. is president of the congregation.

## TIME and the R SYMBOL

In the days before type and the  
craft of printing, all recorded  
works were transcribed by  
hand. It was a laborious task.  
To speed it, short cuts or  
symbols, were developed to cut  
down repetitious words. Thus  
the symbol for Pharmacy was  
born. The R with a slash across  
the tail is from the Latin word  
Recipe meaning "to receive"  
as in instructions from a Physi-  
cian to a Pharmacist.

Approximately 100 law  
enforcement agents from  
throughout Illinois attended  
the 19th annual conference of  
the Illinois Association for  
Identification which was  
hosted by the Granite City  
Police Department Friday  
and Saturday at the Holiday  
Inn in Collinsville.

The association is made up  
of experts in the fields of  
fingerprinting, voice  
analysis and other tools  
designed to identify  
criminals.

Mayors Paul Schuler of  
Granite City and Gene  
Brombolich of Collinsville  
and Granite City Chief of  
Police Ronald J. Yeizer  
welcomed those who at-  
tended the educational  
event.

## Reagan backs firearms law

President Ronald Reagan  
pledged his full support to  
American gun owners last  
week, and promised to  
support efforts which would  
reform the Gun Control Act  
of 1968.

The President's com-  
mitment was voiced by his  
deputy counselor, Rear  
Admiral Robert M. Garrick  
USN (Ret.), keynote  
speaker at the National Rifle  
Association's 110th annual  
meeting, held May 1-5 in  
Denver, Colo.

"The President's  
philosophy on the 1968 Gun  
Control Act is exactly the  
same as yours, Admiral  
Garrick told the assembly.  
"He is a member of the  
NRA."

Admiral Garrick said that

the President supported the  
McClure-Volkmer bill,  
designed to correct certain  
areas of the Gun Control Act  
which have allegedly been  
used to violate gun owners'  
civil liberties.

The McClure-Volkmer bill,  
which was introduced in both  
houses of Congress on April  
29, will also shift the en-  
forcement emphasis of the  
Bureau of Alcohol, Tobacco  
and Firearms, the federal  
gun law and which itself has  
been subjected to four  
congressional oversight  
hearings for civil liberties  
abuse.

At the NRA annual  
meeting, Admiral Garrick  
said that President Reagan  
supported efforts to curb the  
Bate's activities and  
"anything else that assists in  
reforming some of the  
situations that have placed  
gun owners in a precarious  
position."

"Be assured," Garrick  
said, "That President  
Reagan stands with you. He  
understands the way you feel  
about our firearms rights.  
He fully understands the  
issues which confront  
America's law-abiding gun  
owners and he will do  
something about it."

## RIVER PARTY

Lewis and Clark and their  
party left St. Louis on May  
14, 1804, and proceeded west-  
ward by boat up the Miss-  
ouri River.

## Eugene Patton new lieutenant

Eugene D. Patton, son of  
Mr. and Mrs. Ozzie L. Patton  
of Venice, has been  
commissioned a second  
lieutenant in the U.S. Air  
Force upon graduation from  
Officer Training School at  
Lackland Air Force Base,  
Texas.

The lieutenant was  
selected through competitive  
examination for attendance  
at the school.

Patton will now go to  
Tyndall Air Force Base,  
Fla., for training as an air  
weapons officer.

## Charge 5 youths

Chris L. Schutzenhofer, 17,  
of 225 E. 25th St., was  
charged with illegal  
possession of cannabis and  
he and four other young men  
face alcohol-related charges  
after police investigated a  
group of youths gathered  
around a car on 24th Street  
between Adams and Benton  
streets last week.

David A. Smith, 23, of 820  
Twenty-fourth St., was  
charged with public con-  
sumption of alcohol and  
Schutzenhofer, Ray M.  
Israel, 18, of 2442 Adams St.,  
John P. Stanton, 17, of 2461  
Adams St., and a 15-year-old  
boy who resides in the 2400  
block of Edison Avenue were  
charged with being minors in  
possession of alcohol in  
connection with the incident.  
Police said that when they  
approached the group, two  
youths threw beer cans into  
the parkway. Open beer was  
found in the car and can-  
nabis and two marijuana  
pipes were allegedly found in  
the car.

## WRONG-WAY CRASH

Robert J. Stewart, 51,  
Geneseo, Ill., was charged  
with driving north on south-  
bound Cleveland Boulevard  
last week after his car,  
trying to avoid a southbound  
vehicle, sideswiped the  
parked auto of Dennis Hinch-  
cliff, Glen Carbon, in the 2100  
block.

## Wins Chemical Society award

Dr. Thomas P. Layloff of  
Granite City, director of the  
National Center for Drug  
Analysis, is the recipient of  
the 12th annual American  
Chemical Society's St. Louis  
Section Award for out-  
standing contributions to the  
profession of chemistry, it  
was announced this week.

The prestigious honor also  
cites Dr. Layloff for  
"demonstrated potential to  
further the advancement of  
the chemical profession."

He was honored by society  
members and presented the  
award at a dinner at the Old  
Louis County Club in St.  
Louis.

The scientist was born and  
reared in Madison and is a  
graduate of Madison High  
School.

He began night classes at  
Washington University, St.  
Louis, while a junior in high  
school and received two  
undergraduate degrees in  
chemistry and psychology  
upon graduating from the  
university in 1958.

Dr. Layloff obtained his

M.A. degree at Washington

University in 1961 and his

Ph.D. in Analytical

Chemistry was earned in

1964 from the University of

Kansas.

He joined the faculty of St.

Louis University in 1964 and is

now on numerous

university committees and

was advisor to several

student organizations, in-  
cluding the St. Louis  
University Student Affiliate  
Chapter of the ACS.

While at St. Louis

University, Dr. Layloff also

directed the research of both

undergraduate and graduate

students, with nine students

receiving the Ph.D. degree  
under his direction.

He has published

significant research findings  
in top scientific journals. His  
major research interest  
included electron spin  
resonance spectroscopy and  
electrochemistry of a  
variety of organic com-  
pounds.

In the honors program last

week, it was noted that Dr.  
Layloff has distinguished  
himself in the areas of  
teaching, research and  
administration.

The award recipient has  
headed the Food and Drug  
Administration's National

DR. THOMAS LAYLOFF

Center for Drug Analysis  
since 1976.

During 1979, he also  
directed the FDA's network  
of 20 field laboratories  
throughout the United States  
in the Division of Field  
Science and Technology and  
was honored with an FDA  
Commendable Service  
Award.

International recognition  
of his capabilities recently  
was noted, with Dr. Layloff's  
selection as a member of a  
European Economic  
Committee, known as the  
Federation International  
Pharmaceutique, which  
consists primarily of  
European members with a  
limited number of in-  
vited members extended to  
Americans.

He has been an active  
member of the society's St.  
Louis Section, having served  
as chairman in 1973 and as  
director for many years.

Dr. Layloff is a charter  
member of the Granite City  
Breakfast Kiwanis and  
Madison Explorer Post 10-4  
and has served as a volun-  
teer in local United Way  
drives.

He has been active in the  
Boy Scout movement since  
youth and is a former  
chairman of the Uniwah  
(Quad-City) District of the  
Cahokia Mound Scout Council  
and a member of the  
council's executive board.  
The 1980 recipient of the  
ACS award was Jordan Jay  
Bloomfield of Monsanto Co.

## Painting program set for June 1

The Granite City paint

office and is supported by  
funds from the Madison  
County Community  
Development Office (MCCO-  
D).

The program will directly  
involve senior citizens and  
low income families who can  
substantiate income levels  
and residency requirements  
by the MCCO and the  
Housing and Urban  
Development Office.

The paint program will

## Dempsey, Adams receive award

The Tri-City Area Chamber of Commerce has selected Don Adams and Jack Dempsey as the businessmen of the year. Dempsey and Adams were presented the award at the monthly Chamber meeting last week.

The award winners are determined by their business achievements and civic involvements. Adams is president of Granite City Glass and Fence Co. and is involved in business activities. He has been an active member of the 1960 Shrine Temple since 1960, and has held offices in that organization.

Adams has received the 33rd Degree of the Scottish Rite, one of the highest honors that the group gives. The award is given for humanitarian efforts.

Dempsey also is an active member of the Shrine and has served offices in the temple, including recorder and treasurer. The Dempsey Adams auto body and rental agency is among his business ventures.

Both have served as potentate of the Ainaid Temple.

In awarding this title, Chamber members indicated their gratitude to both recipients.

### To remove some postal boxes

Postmaster Jack D. Wilkins of Granite City has announced that in accordance with Postal Service regulations, a survey has been conducted of all collection boxes in Granite City, and it has been

determined that several of these boxes do not meet the minimum requirements of 25 letters per day averaged over a one-week period. It is therefore necessary to remove these boxes from their present location.

Wilkins said that postal customers may place outgoing letters in or on their mail boxes to be picked up by their letter carrier when he has mail to deliver, minimizing the possible inconvenience to postal customers.

Removal of the boxes should be completed by May 15.

## Faces charges after tavern disturbance

Leo J. Six Jr., 30, of 1524 Seventh St., Madison, was charged with criminal damage to property, battery, disorderly conduct and careless driving following a disturbance at 7:35 p.m. Thursday at Hoppe's Tavern, 2815 Edwardsville Road.

Police were arriving at the tavern to investigate the complaint when they alleged seeing Six' auto leave the lot in a careless manner and then turn onto Namecki Road at a high rate of speed, hitting the median with the left front tire. The auto was

stopped by police near the tavern.

Vicki Kelley, a bartender at Hoppe's alleged that Six entered and yelled at her to leave with him. She ran upstairs and he knocked about 20 glasses from the bar onto the floor, threw a beer glass at Beverly Kelley, hitting her face, and then chased Vicki Kelley up the stairs. It was alleged.

Six then left the tavern and his car was stopped. He suffered a cut to a hand, but refused medical treatment at St. Elizabeth Medical Center and was jailed.

### Organ recital Wednesday

An organ recital of sacred music will be presented at First United Presbyterian Church, 22nd Street and Delmar Avenue, by Mrs. Elizabeth Ledbetter Nicol, Wednesday, May 13, at 7 p.m. in memory of her maternal grandmother, the late Mrs. Gustave Karrer.

her husband, Kevin G. Nicol, a professional trumpeter, will also play two numbers written by Bach and Purcell for trumpet and organ. The public is invited to attend.

Mabel Will Karrer, born on May 13, 1891, lived most of her life in Granite City. She was a teacher at Washington School prior to her marriage and served as an organist at the old German-speaking Zion Methodist Church on 20th Street and Cleveland

Boulevard. In 1930, she and her husband joined the First United Presbyterian Church where they retained their memberships until the time of their deaths in 1966 and 1969.

Mrs. Karrer was an accomplished musician, piano teacher, and an occasional organist at First Presbyterian Church in the late 1930's and early 1940's and she and Mr. Karrer also were long-time choir members there. She taught the nursery class of pre-kindergarten children in the Sunday School, there from 1930 until 1955. She taught private piano lessons until the age of 72 when her health began to decline.

Elizabeth and Kevin Nicol were graduated in 1975 with high honors and both hold Masters Degrees in Music Education from Southern Illinois University at Edwardsville. Besides playing piano and organ, Mrs. Nicol is an accomplished oboist and was formerly a charter member of the St. Louis Symphony Youth Orchestra. Following graduation from college, she

### Officer Friendly escorts students

Fifty second grade pupils from Marshall School visited Granite City police headquarters last week and were escorted through the facilities by "Officer Friendly" Fred Hoffman.

The visit was made in two separate groups, which were accompanied by Mrs. Cheryl Pond and Mrs. JoAnn Burckley, Marshall teachers. Officer Hoffman talked with the youngsters, relating some of the aspects of police work prior to a walk through the building.

The second graders also paid a call at the Granite City main fire station, it was learned.

### REPORTS BURGLARY

A one-gallon glass bottle, containing \$25, and a watch were stolen in a burglary at the home of Pat Squires, 701 Madison Ave., Madison, which was reported to police last week.

Q. Is the government holding interest rates at such high levels... or is it a natural reflection of the current economy? Do you foresee any improvement in the future?

A. Actually, your question contains the key word to the answer. The culprit is the present economy, which is suffering double-digit inflation, and banks are slaves to inflation just as is any business or individual. And, although double-digit inflation appears to be entrenched for the short term, there is a brightness on the horizon. The President's budget cuts seem to be moving through congress with unexpected ease and economic activity has been far stronger through the beginning of the year than anyone expected. Financial institutions dislike the double-digit interest rates as much as does the consumer and, like the consumer, banks are attempting to do their part by belt-tightening and budgeting.

### Arrest Venice man on charge

A resident of the 800 block of West Madison told police last week he had been threatened by a man who had tried to force him into a brown Ford auto at gunpoint a short time earlier.

Madison police located the vehicle, occupied by three men, at a Venice liquor store and the auto was searched without a weapon being found.

Herman Wright, 47, of 91 Venice Homes, was taken into custody, pending further investigation. Later, he was turned over to Venice officers when it was determined the incident had occurred in Venice.

Wright was charged by Venice police with aggravated assault. He was released on payment of a \$100 cash bond to appear May 22.

## Six are injured in Route 162 crashes

Six persons were injured in separate accidents Thursday and Friday on Route 162 and were treated at St. Elizabeth Medical Center.

An automobile driven by Ronnie J. Blason, 32, of 2260 Delmar Ave., was leaving the golf driving range on Highway 162 at 10:30 p.m. Friday and, in an attempt to make a turn going west, allegedly crossed the center line and collided with the eastbound car of Patsy L. Bussone, 40, of Edwardsville. She was treated to the shoulder to avoid the accident but the impact of the collision spun the Bussone auto into the rear section of a auto of Jay F. Greer, 25, of Madison, which was traveling behind the Bussone vehicle, according to official reports.

Blason was taken by a Granite City ambulance to the medical center, where he was treated for a sprain to his left foot and was released.

Mrs. Bussone declined treatment at the hospital but two passengers in her car were treated. Douglas Bussone, 6, suffered a cut to his nose and was released. Mrs. Helen England, 48, of Edwardsville, received medical attention for a contusion to her hip and was released. David B. Bussone, 18, escaped injury, as did Jay F. Greer. Madison driver of the third vehicle.

In a separate accident at 4:30 p.m. Thursday on Route 162 and Edwards Drive, three persons were injured and admitted to St. Elizabeth Medical Center.

Mr. and Mrs. Louise Morgan, 1217 Edwardsville Road, were traveling east on Route 162 and the auto of Larry Sidwell was going west on 162 and allegedly crossed the center line and collided head-on with the Morgan vehicle.

Louise Morgan, 67, hit his head on the windshield and was treated for a four-inch laceration on his forehead. Sidwell was treated for abrasions to his left thumb and a swollen upper lip. His wife, Mrs. Viola Morgan, 62, underwent surgery for multiple lacerations to her forehead. She also had abrasions and bruises to her left leg and chest and had

## Break into two schools

Two Granite City schools were broken into during the weekend, but nothing of great value is known missing from either.

It was discovered at 6:35 a.m. Sunday that Emerson School, 20th and Benton streets, had been broken into and all rooms in the basement, first and second floor had been searched. A few rooms on the third floor also showed signs of having been entered.

Teachers' desks and cabinets were ransacked and it is believed a small amount of change was stolen. An inventory is to be conducted.

Two flashlights found in the gymnasium and on the main floor were taken by police for fingerprinting. Entry was believed gained through a window in the plexiglass window.

At 10:50 p.m. Sunday, a window was found open at 2300 W. 25th St. A subsequent search indicated that several desks and cabinets were ransacked, but it is not known if anything is missing.

## James Walker

James Wilson Walker, 82, of 2450 Iowa St., a resident of Granite City since 1937, died at 11:45 a.m. Saturday, May 9, 1981, at St. Elizabeth Medical Center. He had been a patient at the medical center since Tuesday.

He was born in Pawnee, Ill., and had lived in Gillespie, Ill., before moving to this area.

Mr. Walker worked for the State of Illinois as a license inspector for 11 years and after retiring 17 years ago he conducted a business of selling licenses plates from his home.

A member of the Nameless United Methodist Church, Mr. Walker also belonged to Masonic Lodge 877 and the Modern Woodmen of America.

Survivors include his wife, Mrs. Florence Irene Walker; one son, Allen Walker; a daughter, Mrs. Theodore (Marie) Jensen, both of Granite City; four grandchildren and five great-grandchildren.

Funeral services will be conducted by the Rev. Eugene Seaman at 11 a.m. today, May 11, at Irwin Chapel for Funerals, 2801 Madison Ave., with 1 p.m. graveside service at Brush Creek Cemetery, Elvaston, Ill.

## Parents want Pre-School to continue

Twenty-five parents who want the Granite City Pre-School to remain in operation in 1981-82 gained two weeks of time Tuesday night, the delegation persuading the School Board to delay a final decision until May 19.

In the meantime, administrators will review the district's negative financial outlook and also consider ideas advanced at the board meeting by the Rev. Clayton Moorman, pastor of Faith Baptist Church.

A member of the Title I parent advisory panel, Rev. Moorman stressed the value of classes provided at the Pre-School Center for 120 four-year-olds who reside in six economically disadvantaged grade school zones. There are 13 grade schools altogether; seven areas do not serve preschoolers.

Rev. Moorman acknowledged that a federal fund cutback has placed the program in jeopardy but proposed that it be retained, at least in skeletal form.

Spending cuts could include eliminating bus transportation for preschoolers and paring portions of some of the Title I remedial programs, he said.

The pastor asserted that early solving of learning difficulties in some cases can prevent a pattern of ever-increasing learning problems as difficulties progress through elementary school.

Board members asked that the administration outline various options, and they pledged final action May 19 so that a detailed annual federal funding application can be prepared in time to meet a June 1 deadline.

The board in general has taken the position that it

must utilize locally-derived tax funds for programs that benefit all grades and all geographic portions of the school district. In contrast, federal programs can be earmarked to serve areas determined to be in greatest financial need.

With projections of a 20 percent cutback in Title I funding for 1981-82, and the amount likely to remain uncertain until January 1982, the district is considering ending the pre-school instruction despite the availability of some carryover funds from past operations.

It hopes to continue remedial reading and mathematics instruction for school-age boys and girls.

## Man hit with baseball bat

Robert Keeney, 24, of 806 Kirkpatrick, Homewood, was admitted to St. Elizabeth Medical Center in fair condition after he was struck in the ribs with a baseball bat during an argument at his home last week.

Witnesses said four men were visiting when an argument broke out. Three of the men left and returned a short time later. One hit Keeney with a baseball bat and the men left.

When police arrived, Keeney was found lying on the kitchen floor in extreme pain and he was taken to the medical center.

Subsequent investigation revealed that there had been an earlier fight in the alley in which several men used hammers and wrenches. A window in a car was broken during that disturbance and one man, who said he had been hit on the head with a wrench, was taken into custody. He later was released without being charged, pending further investigation.

**MACHINE DAMAGED**  
Kimberly Jones, 2560 Iowa St., was charged by sheriff deputies with property damage last week after a cigarette machine was broken at the Bypass Lounge, West Chain of Rocks Road at Maryville Road.

**ARMY RECRUITERS HONORED.** Army Recruiters at the Army recruiting station at 3675 Nameoki Road have been honored for recruiting excellence during the second quarter of the 1981 fiscal year. Their station was named the "Top Army Recruiting Station" in southern Illinois and eastern Missouri. In addition, Staff Sergeant Don Schroeder was named a "Superstar." Awards were presented at a ceremony in St. Louis by Lieutenant Colonel Joseph M. Lukitsch, U.S. Army St. Louis District Recruiting commander. Award recipients, from left, are Bill Houghton, Virgil Cupples and Don Schroeder. All are on staff sergeants.

## Strawberry harvest early

By CHRIS DOLL

Area Garden Adviser Strawberry harvest in Southwestern Illinois is earlier than normal this year. The early warm spring forced growth and fruit development. As a result, harvest in many local fields will begin by the middle of the month. The harvest season normally lasts three to four weeks, so that it will include Memorial Day weekend.

Strawberry quality should be good due to the dry growing season. The Illinois berries will have vine-ripened flavor if picked at proper maturity. Some flavor variation may be noted between varieties, but maturity is more important than variety.

The first variety maturing this year is Earliglo. It is a firm, dark sweet berry good for all uses. It will be followed in maturity by Sunrise, Surecrop, Redchief, Guardian, and Ratitan. These are the major varieties planted in commercial fields and local gardens.

For the best in tomato quality, train your plants to stakes, cages, or other systems that keep fruit off the ground.

Fruit from supported vines are better because they have less soil rot, are cleaner, and are exposed to more sunlight. They are also easier to spray, pick, and sell.

There are several ways to train tomato plants. The most common method is to set a stake beside each plant. This stake should be 5 to 6 feet long and 1 to 1½ inches in diameter. Drive it into the ground at least 10 inches.

When the plants are 12 to 15 inches high, remove all but one main stem and tie it loosely to the stake. (Two stems may be left if more leaf surface is desired.) Use soft twine or cloth. As the plant grows, remove the shoots or "suckers" that develop between the main stem and the leaves up to the first fruit cluster. Above the first fruit cluster, let the shoots develop two leaves and then pinch off the tips. Tie the plant loosely to the stake every 10 to 12 inches.

If the pruning and tying system is not for you, try growing them in a cage. The ideal cage is made from concrete reinforcing wire. It is rigid and the six-inch holes are large enough to get most of the ripe tomatoes through. A six-foot length of wire will make a cage about two feet in diameter and five feet high; or, if cut in half, two cages 2½ feet high. Set this over the plant. The tall cage must be anchored with a steel post or stake to prevent tipping over. The post is not needed with the short cage. Mulch around the plant with straw before installing the

cage. A tomato plant with good vigor will grow up and over the top of the cage. No pruning is necessary. All

fruits will be off the ground and of good quality. For best results, water as needed, and follow a spray program for disease control.

## Six English instructors at South attend state meeting

Six members of the English faculty at Granite City High School South attended a meeting of the Illinois Association of Teachers of English on Tuesday evening. Teachers from the Kaskaskia and Marquette divisions, representing IATE members from nine Illinois counties, held a dinner meeting at the Round Table Restaurant in Collinsville. Local teachers attending include Helen Cook, Sandra Hughes, Muriel Kratz, Helen Kuenstler, Mary Perdue-Tapp and Helen Velfo.

They heard Beverly Bimes, teacher of the year 1980-81, speak on "Reflections of American Education through a Crystal Apple." Mrs. Bimes, on leave from the Hazelwood school district, spent the past year traveling throughout the United States, meeting with government leaders and speaking before business and educational groups.

In her talk before English instructors, Mrs. Bimes emphasized three important tasks of teachers: to accept the responsibility of being professionals and thus maintain society's respect, to believe that teachers are the heroes of their profession and to take pride in that fact, and to control their destiny by being less willing to take on too many jobs and to serve as "social band-aids of

society." Stating that "teachers need to be better so that students can better," Mrs. Bimes pointed out that school districts should help teachers to grow through leadership and through meaningful in-service training.

**ASSAULT CHARGE**  
Shirley Gaddo Robinson, 44, of 1222 Twenty-Second St., was arrested last week on a state charge of assault on a complaint signed by her husband, Bill Robinson of Granite City, who alleged she began screaming and tried to kick and strike him when he arrived home.

## Gate installed at South High

Because of an increasing amount of through traffic from Grand Avenue to Fehling Road, a gate has been installed at the Grand Avenue entrance to Granite City High School South which will be closed during school hours, a school official said Thursday.

The official said the gate will be closed to shut off traffic at 8:10 a.m. through 3:10 p.m. daily while schools are in session.

A large number of vehicles have been using the roadway through the school property, necessitating the action, he added.

**"people make the difference."**

At First Bank, the formula for growth has always been customer service with a capital 'S'. For that reason more than two years ago, First Bank applied for approval to establish a remote banking facility in the Bellemore Village Shopping Center.

Now you can do your banking at either our Bellemore facility or at our main bank downtown, whichever is most convenient for you. And you do not need to transfer your accounts to do so.

I am pleased and proud to have been selected to manage our Bellemore facility, and of a great staff of experienced people to serve you. We can handle all your routine banking here such as deposits and cashing and issuing checks, drafts and money orders. We can even receive your loan payments. And, you can bank on receiving customer service—with a capital 'S'.

## Groundbreaking May 18 for new SIUE building

A groundbreaking ceremony to celebrate the beginning of construction of the multipurpose physical education, recreation and athletics facility at Southern Illinois University at Edwardsville will be held Monday, May 18 at 10:30 a.m.

The site is east of the Bubble Gymnasium, south of Circle Drive.

Dr. James R. Buck, director of development and public affairs, said construction equipment will be at the site and some work

may be under way prior to the day of the ceremony. The general contractor for the \$10-million project is Consolidated Engineers, Division of Azzarelli Construction Co., Kankakee.

Dr. Buck said numerous dignitaries are being invited to the ceremony, and special guests will include the coaches and 1981 state championship basketball teams from Madison High School in Illinois and Soldan High School in Missouri.

A picnic lunch will be served at the site following the ceremony.

University officials estimate it will require approximately two years to complete the building. The structure will have more than 100,000 square feet of usable space, including

classrooms, laboratory, faculty offices, multipurpose gym with movable seating for 5,000 spectators, studios, specialized recreation facilities, training rooms, locker rooms and swimming pool.

Bids originally opened Dec. 19 by the Capital Development Board were nearly \$2.5 million over the authorized budget. The plans and specifications prepared by Thompson and Associates were subsequently revised to reduce costs and were approved by the SIUE Board on March 12. Bids were opened again on April 2 and were below the authorized budget, enabling the CDB to proceed with the award of contracts.

An information report on the project is scheduled to be presented to the SIUE Board at its meeting in Carbondale on May 14.

**LAW AND ORDER WEEK.** Plans to honor all law enforcement departments in the Quad-Cities as a part of this week's observance of "Law and Order Week," sponsored by Elk's Lodge 1063, are reviewed by local officials. From left are Earl Buenger, chairman of the traditional appreciation

## Amvets appoint nominating committee

A nominating committee responsible for selecting the 1981 nominees for the July election was appointed at the

Amvet Post 204 meeting last week.

Dave McClelland was appointed as committee

chairman, and committee members are Frank Schenck, Joe Papa, Virgil Reeves and Angelo Angeloff. These men will announce nominees at the June meeting.

The post confirmed plans for a "Beef and Reef Dinner" May 29. According to William Papa, chairman of that committee, those wishing to attend the event must register at the club.

The Amvets have scheduled a Family Picnic for June 13 at the Korte Park in Highland. Participants also must register at the club for this family function, committee chairman Dave McClelland reminded the post.

It was reported that the winners of the Amvets Golf tournament were Leon Ross, Jan Rafka, Paul Schuler and Stewart Deak.

Memorial Day services will be held on May 30. Hank Loyce and Sly Martin will serve as chairmen of that committee.

Commander McMillen told the group that any one interested in the Amvets State Golf Tournament in Jacksonville Ill. on July 11 and 12 should enter the competition early.

The building committee reported that plans for a new building on Kennedy Drive are near completion. The new building will have a

seating capacity of 660 people.

A petition was signed by 24 of the Amvets, urging President Reagan to further the search for some 2,500 Americans who are still missing in action. Post members voted to offer their total support for this project.

## Workshop for town officers

A workshop for newly elected or re-elected township officials is scheduled for Saturday, May 16, 9 a.m. to 4 p.m. at Southern Illinois University in Edwardsville.

The workshop will include sessions on budgeting, tax levying, road financing, federal revenue sharing and cooperative lease-purchasing agreements.

A registration fee of \$20 per individual or \$125 for an entire township board includes materials and lunch.

Pre-registration is desirable, and should be mailed to Beverly Goldberg of the Institute of Public Policy and Administration at Governors State University, Park Forest South, 60466.

Checks should be made payable to the institute. Registrations will also be accepted at the door the day of the workshop.

The Edwardsville workshop will be held in the Board Room of the SIUE University Center. It is the third in a series of three workshops sponsored by the Illinois Department of Commerce and Community Affairs in cooperation with Governors State and the Township Officials of Illinois.

## Registration for summer quarter at university

Registration for the summer quarter at Southern Illinois University at Edwardsville will officially begin May 26. But preregistration for students having disabilities affecting their mobility or dexterity, and those with visual impairments is scheduled May 20 from 8:30 a.m. until 4 p.m. in Room 1908 of the Rensselaer Building.

Regular registration by appointment will be held May 26 from 8:30 a.m. until 4 p.m.

Registration without an appointment (open registration) is scheduled May 26 from 4:15 until 7 p.m.; May 27 from 8:30 a.m. to 4 p.m.; and June 16, 22 and 23 from 8:30 a.m. until 7 p.m.

All registration activities, except those which concern students with handicapping conditions, will be held in Meridian Ballroom of the University Center, and June 23 will be the final day of registration. After that, only registration for summer workshops will be allowed.

Summer quarter classes will begin June 22 at 7:30 a.m.

Individuals wishing to enroll in classes this summer must be admitted to the university before registering. Applications for admission and additional information may be obtained at the Office of Admissions and Records or by telephoning 692-2720.

(Continued from Page 1)

tributory negligence became the law in Illinois in a series of cases dating from 1882 to 1894.

Many times the law produced harsh results. A person who was 10 percent negligent was denied recovery from a person 90 percent negligent. Legislatures began developing proper standards of apportionment. The Illinois Legislature, in 1908, enacted the Federal Employer's Liability Act, which applied to railroad employees being injured on the job. Under that law, a partially negligent employee was not barred from recovery, but his dollar award was reduced according to his degree of contributory negligence. Similar federal acts were enacted in 1920 in the Jones Act and Death on the High Seas Act.

Laboratories, beginning with Mississippi, enacted comparative negligence standards. Mississippi adopted the "pure" form. The case the "Wisconsin" or "modified" rule. Under the "pure" rule, a person recovers for his injuries according to the relative percentage of his fault. Therefore, if you were involved in an accident that is "the other guy's fault," to the extent of 90 percent, he can recover 10 percent of his damages from you. That is true, even if you had only hundreds of dollars in damages and the other guy had tens of thousands of dollars in damages.

The "Wisconsin" or "modified" rule allows a person to recover for his injuries only if his negligence was not as great as the other guy's (51 percent to 49 percent).

Until April 21, 1981, a total of 36 state legislatures had adopted the comparative contributory negligence doctrine. Twenty-three adopted the modified

approach; 10 the pure approach; two with a slight versus gross standard and Georgia had an entirely unique system.

The Illinois Supreme Court adopted comparative fault in third-party noncontractual indemnity actions, but other than that limited area, no state supreme court "enacted" such a law until the Illinois Supreme Court handed down its decision.

The decision was a reminder of the Warren Supreme Court of the 1960s, in which courts took it upon themselves to do what the will of the people, expressed in the legislature, had not done; in the name of a "just and socially desirable" result. The Warren Court most of the time denied acting in a legislative capacity and insisted that it only followed Congress' guidelines.

But on April 21, 1981, a majority of seven members of the Illinois Supreme Court decided that Illinois now follow the "pure" form. And, in so doing, the Illinois Supreme Court majority boldly stated: "When such a statement exists paying that to be remedied a gap in the common law that results in an injustice, it is the imperative duty of the court to act to correct that injustice and reform the law to the demands of society." Even the Warren Court was not that flagrant.

In *Maki vs. Frelic* in 1968, the Illinois Supreme Court said that it was up to the legislature to make the change. Since 1976 alone, six bills have been introduced to the Illinois legislature to abolish contributory negligence. All were defeated. Another was pending at the time this session.

Four new laws were introduced and one was passed. The new law would allow a person to recover for his injuries only if his negligence was not as great as the other guy's (51 percent to 49 percent).

passed, which included contributory negligence.

In arriving at its decision, the majority of the Supreme Court said of the six defeated bills: "It can be argued that the legislature's enactment in this area is attributable to its feeling that it is more appropriate, considering the history of the question in Illinois, for the judiciary to act."

The court rejected the arguments that insurance rates would increase, that litigation will increase, that careless drivers will be rewarded and that the legislature should make an in-depth analysis prior to enacting such a law.

The court noted that its decision left several collateral issues unresolved and that lawyers, judges and the people of Illinois would have to wait for them to decide the issues in future cases. A lawsuit filed today, if it made it to the Illinois Supreme Court, would take nearly four to five years.

The Supreme Court made their decision applicable to any case that has not come to trial. Evans noted in his article.

He said the decision, at this time, applies only to negligence cases as opposed to intentional acts and cases brought under such laws as the Dram Shop and Structural Work Act.

After the city receives Mrs. Sweeney's case, the lawsuit on behalf of the late Mrs. Sparks is expected to be brought to trial. Net liabilities in the case could total millions of dollars, which is why State said he is studying the latest Illinois Supreme Court decision carefully and wants to consult with the city attorney.

## State okays new campus apartments

The Illinois Board of Higher Education last week approved the plan for additional student housing at Southern Illinois University at Edwardsville.

The proposal, for which the SIUE board has authorized preparation of a program scope statement and final estimates for construction and operational costs, calls for construction of facilities for some 672 single students. Estimated total construction cost is \$7.6 million, to be financed with revenue bonds. The proposed site is located on the campus south of the University Center.

In comments on the project, the IBHE staff concluded that "the proposal represents one of several ways the university is attempting to deal positively with declining enrollments and to improve utilization of the significant capital investment which the state has made in the campus."

Acknowledging the restriction on approving dormitories for commuter institutions, the board staff said SIUE is an exception to the master plan prohibition, and recommended approval of the proposal.

"The university's response to this policy — master plan prohibition on housing for commuter institutions — correctly notes that public universities in the Chicago area which are designated as commuter institutions are located centrally to the populations they serve and are accessible by much more highly developed public transportation systems," the IBHE staff noted.

SIUE found through a study that the demand for on-campus housing could range from 3,000 to 3,500 students per year. Based on its analysis, the university believes there is a severe shortage of housing suitable for students.

In addition, the university believes that because of increased costs in transportation, the reasonable commuting distance to the campus should be revised downward from 50 miles to 15 miles or less.

The study shows that increased transportation costs now make it financially feasible for students living in the 15-50 mile range to live on campus.

Existing on-campus housing at SIUE consists of Tower Lake Apartments, where 2,350 married and single students reside. Currently, rent is \$78 a month per single student.

Preliminary estimates on the proposed new facilities, with higher construction and operational costs, project a monthly rent of \$145 per student.

The proposed housing complex, as conceived by the university study group, is described as a compromise between traditional dormitories and apartments.

Other facilities would not be included, although limited food preparation and storage capability would be provided.

The complex would be close enough to the University Center to provide easy access to complete food service, as well as library, study and recreational facilities.

# Amazing Trojanettes advance six

By PETE HAYES  
Sports Editor  
of the Press-Record  
CARLINVILLE — An amazing group, these Madison Trojanettes. All season long, they've suffered from an ailment becoming all too common among high school athletic programs. Waning interest. Fewer participants. But Madison's girls track team and its coach Luvenia Long haven't let it get them down. Despite taking only 10 girls to the meet, Madison finished second Saturday in the Class

A (small school) District Track Meet at Carlville High. And if not for a mixup in an official's ruling, the Trojanettes might have won the team championship. The championship went to Mount Olive which finished with 5 1/2 points. Madison, with its 10 girls, had 35 1/2. Columbia was third with 29. Madison advanced runners in seven events to the State Track Meet next weekend in Charleston at Eastern Illinois University. Seven events represented by six girls. Not bad.

The top two finishers in each event advance to the State Finals. "I'm so proud of these girls," said Long. "They've stuck together all year. I think they've known all along what they had to do. Even though most of them were running in as many events as we could get them into. I think the more they ran the stronger they got. "I don't think I could have come up with a better team if I'd had 40 girls come out instead of 10. But Long was far from

happy after the running of the 800 meter medley at Carlville. After apparently finishing second, Madison was disqualified because its runner cut across into the near lane too soon after taking the baton handoff in the last leg of the event. According to officials' arguments, the runners were instructed not to cut across until they passed "the man with the red flag" — an official standing on the track checking for violations. However, according to Long, the rules state that a yellow

mark on the track should be used instead. She argued her case vigorously. She got an official rule book and pointed it out to Carlville officials. She won. Both Madison and Greenfield, which had been awarded second briefly before Long's protest, will advance to the State Finals. Mount Olive won the event in 1:52.9. Madison's time was 1:56.3. Greenfield's was 1:56.9. Madison even won the coin toss for the second place bronze medals. "I wasn't happy at all with the way things were run,"

Long said. "It seemed they were out to get us from the start. I'm sending a letter (of complaint) to the IHSAA (Illinois High School Association)." The members of the Madison 800 meter medley squad are Regina Banks, Jerri Ann Ware, Leesa Lovett and Terri Smith. The names will begin to sound familiar, especially Banks'. Banks, only a freshman, qualified for the State Finals in four events. She won the 200 meter low hurdles and was a

member of the Trojanettes' second place 1600 meter relay team in addition to the medley team. "You'll be hearing about her (Banks) for a long, long time," said Long. "She's going to make a name for herself." Banks' time in the 200 meter hurdles was 39.9 seconds. She was clocked in 16 seconds flat in the 100 lows. In the 200 hurdles, Carlville's Cheryl Bowman was second in 31.3. Natalie Schaffer was second in the 100 lows in 16.1.

Madison had another first place individual finisher in Terri Smith. She edged out Bunker Hill's Nancy Wallace by one-tenth of a second in the 200 meter dash. Smith's time was 26.2 seconds. Madison was second to Mount Olive in the 400 meter relay. The winner's time was 50.7 seconds. Madison was clocked in 52.6. Members of that squad were Rose Clay, Jerri Ann Ware, Leesa Lovett and Terri Smith. Madison's 800 meter relay

## Conference champions split wet doubleheader

By TOM SCHOCKER  
of the Press Record  
GRANITE CITY — The game was an even matchup. It was two conference champions with identical records. A one-run game would be the only first way to decide the victor. And it was.

Rich Takmajan ran his own season record to perfect 5-0, despite needing relief help, throwing the Granite City North baseball team to a 5-4 win over Belleville West in the first of two games here Saturday. Game two was good practice if nothing else. North's reserves took to the field and were rudely pushed around by West, losing 12-3.

There may only be a few games left in the regular season, but North is taking them one at a time and seriously. West, newly crowned champions of the Southwestern Conference just last week with the same 13-7 record as North, didn't hold anything back, either and made Takmajan work for his fifth straight win.

The Maroons threatened in just about every inning, while banging out 10 base hits. They finally chased Takmajan after he had thrown six and two-thirds innings. North had built a 2-2 lead going into the final seventh inning. But a pair of doubles and a single prompted Steeler head coach Bob Stegmeyer to relieve Takmajan in favor of Dan Patterson.

West had the tying run on second base with two outs and it took Patterson just one pitch to end the game. "There's no dominate team in the area," said Stegmeyer. "Everyone is just about even. Coming off a big over South (see related story), I told them (North) to celebrate tonight. We still had two toughies against West. And we got the big hits down in the order to win."

The year has proven that Steeler hard-nose baseball is not dead. North set another school record in the opener. Earlier in the season, Patterson broke the individual home run record. Well, Brian Corey, as the lead-off hitter in the sixth, tagged his third home run of the year. It gave North 13 for the season, surpassing the old mark of 12 set in 1979.

### South rained out

CENTRALIA — Heavy rains that deluged the Southern Illinois area rained out Granite City South scheduled non-conference doubleheader here Saturday with Centralia's Orphans. The non-conference twinnish between the Warriors and the South Seven Conference team may be rescheduled, according to South head coach John Modica. Plans are for Centralia to come to Granite City for a twinnish next Saturday, May 16, although they are not finalized yet.

blast with a double. Rich Buer walked and Carl Luehmman drove in DePew with a single. A fielder's choice by Steve Tritschuh allowed Buer to score, which proved to be the winning run.

"All the game was important," said West head coach Charles Hasenstab. "We were throwing our best and didn't hold anything back."

The Stealers jumped on West's best early as they scored twice in the second. Patterson reached on the first of two errors for the Maroons and Mark Hessler followed with a single. Then the pair pulled off a perfect double steal. It set up Tritschuh for a two-run single.

Maybe the rain that came down at a steady pace during the second game had something to do with it, but North didn't look as sharp. Then again Stegmeyer went to his bench to supply the players.

"I wanted to give a chance to the players that haven't played that much," said Stegmeyer. "When you have non-starters and junior varsity players come out here every day and practice, they deserve some reward, like playing. The purpose of a doubleheader is to look at other kids. If I was worried about our record, I would have played the same nine that started the first game. I didn't play these kids expecting to lose. Besides, it doesn't hurt our program, because it gives them var-

sity experience for next year."

The Steeler second team, so to speak, didn't let Stegmeyer down, either. At least for five innings. North tied the game up in the first as a pair of doubles by Kevin Hayes and Keith Flaughner provided a run.

Falling behind 4-1, the Stealers took advantage of the wet terrain and again went to the extra base hit. After Russ Harrell had reached on an error, Kevin Patterson showed his brother (Dan) that he had power too, by ripping a double to score Harrell.

In addition to the numerous fielding changes by Stegmeyer, he also got a look at some pitchers. Five in all took to the mound, but six North errors didn't help. Brian Corey was the starter and pitched well for three innings, giving up two runs and three hits. Burton followed and he also gave up two runs. Carl Luehmman tried his arm and shut West out, but only for an inning.

The last two frames saw Luehmman, Ray Takmajan and Paul Eads give up eight runs as West sent nine players to the plate in each of the sixth and seventh innings. But the Stealers still didn't give up scoring once more in the final frame. North loaded the base as Jeff Gibbs drew a walk and Hayes and Harrell each singled. Flaughner then got his second RBI with a base hit.

GRANITE CITY — A four-run fourth inning was all it took for the Granite City North baseball team to defeat Greenville 5-4 in a non-conference game here Thursday.

The Stealers had a three run lead going into the final inning when the Panthers made one last run.

## No Granite City qualifiers

BELLEVILLE — As expected, it was business as usual here Saturday at the running of the Belleville East Class AA (large school) Girls District Track Meet. All East St. Louis...Lincoln and Senior High, that is.

East St. Louis Lincoln edged arch-rival East St. Louis Senior 74-73 for the team championship. The rest of the field was far behind. Edwardsville finished third with a total of 27 points. Belleville East's Lady Lancers were fourth with 25 points. Belleville West was fifth with 21 points. Then the dropoff was steep.

Highland came in sixth with eight and a-half points. Belleville Althoff was seventh with seven. Granite City South finished eighth with three points, followed by Triad with two, and Macouhatch, Cahokia and Wood River with one each. Granite City North did not score.

Athletes in a total of 23 events will advance from East St. Louis to next weekend's State Finals. Ten from East Side and 13 from Lincoln.

East St. Louis won the 400 meter relay in 48.4 seconds. Lincoln was second in 48.9. In the shot put, Shari Tolbert from Lincoln was the winner with a distance of 13.13 meters. Mary Johnson from

Edwardsville was second at 11.82 meters. The 800 meter medley relay was won by East St. Louis in a time of 1:49.7. Alton was second in 1:51.0. Debra Powell of Lincoln was the winner of the 200 meter low hurdles in 28.4 followed in second by East's Jackie Koch. East Side's Lowry was the winner of the 100 meter dash in 12.1. Teammate

Janine Randolph was second. The 800 meter run was won by Debbie Bacon of East St. Louis in 2:17.2. Lincoln's Goldiday was second. Lincoln's Mary Wallace was the winner of the discus throw with a distance of 36.35 meters. Johnson from Edwardsville was second.

East's Koch was the winner of the long jump with

a leap of 5.36 meters. Teammate Deb Hyten was second. Lincoln's Val Harris was the winner of the high jump with a height of 1.55 meters. Hyten was second. East St. Louis won the 800 meter relay in 1:42, followed by Lincoln. Powell of Lincoln was the winner of the 100 meter low hurdles in 14.1. East Side's Jackson was the winner of the 400 meter

## All-Star cagers announced

BELLEVILLE — Four players from the state Class A champion Madison Trojanets and one from Granite City South will play the next Saturday in the annual WBV-Radio All-Star High School Basketball Game at Belleville Area College, beginning at 2 p.m. Madison's Patrick Joe Hatter, Morris Hughes, Kevin Stanley and Charles Claggett will play in the game, as will Granite City South's Eric Wallenberger. Hatter is a 6-3, guard-forward, Hughes a 6-3 forward, Stanley a 5-9 guard and Claggett a 6-1 guard-forward. Wallenberger is a

6-3 forward-center. A total of 36 players have been chosen for the game, which will be held under a new format this year. The players will be divided as evenly as possible into four teams, with team A playing team B and team C playing team D in 20-minute mini-games. The winners and losers of each game will then play each other, for a total of four 20-minute games. Ten players will be chosen from Saturday's games to play in the annual Illinois-Missouri game Friday, May 22 at Forest Park Community College in St. Louis. There will be no Illinois

girls game this season, but a group of Illinois girls players will face a similar Missouri squad May 22 before the boys game. The players named for this year's games include: 6-3 forward Bob Toisch of Belleville Althoff; 4-2 forward Mike Shelby of Alton; 6-4 forward Tony White of Assumption; 6-1 forward Larry Hubbard of Belleville East; 6-6 center Steven Buckland and 6-1 guard Ben Smith of Belleville West; 6-2 forward Doug Sauerwein and 6-1 forward Doug Stagner of Bunker Hill; 6-4 forward Jon Collins, 6-3 guard Fred Dancy and 6-5 center James

Williams of Cahokia. Others include 6-1 guard Kent Parker of Collinsville; 6-5 center Rick Doerr of Dupu; 6-0 guard Kevin McKinney, 6-3 forward Tommy Johnson, 6-4 forward Robert Gordon and 6-3 forward Thad Floore of East St. Louis; 6-3 forward Bruce Dickmann of Edwardsville; 6-4 forward Paul Seiberlich of Highland; 6-1 guard Andre Stevenson and 6-2 forward Mike Schufford of Lebanon; 5-11 guard Ed Wilson and 6-2 forward Jimmy Ike of East St. Louis Lincoln. Others playing will be 5-9

Granite City North catcher Vince Mitchell appears to have Belleville West's Kevin Sisk tagged out in the photo at right. But in the far picture, the ball is seen coming out of Mitchell's grasp. Sisk was nonetheless called out by the home plate umpire. The action took place in the first game of Saturday's doubleheader here.

## Granite girls show 'oldsters' to play

Special to the Press-Record  
BLOOMINGTON, IND. — It took a bunch of kids to show their elders how to play soccer. But by the time the Granite City (South) girls soccer club team got finished with a field of 13 older teams, they were queens of the hill — far from being considered youngsters.

Despite the lack of an official girls soccer program in the area high schools, South has put one together composed of players from both Granite City North and South. The girls entered the fourth annual Big Red Soccer Tournament at Indiana University last weekend and surprised everyone by coming away with the championship.

It was South's first time in the tournament and was the only high school team entered. The rest were all college teams. Headed by coach Bob Kurilla, the girls from South are Terry Schuler, Susan Schefke, Nancy Jones, Patti Petty, Chris Kessler, Rhonda Harrell, Dee Dee Darborow, Chris Byer and Laura James. The players from North are Jill Bledsoe, Marilyn and Carolyn Horbelt, Denise Portell, Michelle Loftus and Rita Harrell. There was also one player, Jeanne Dodson, who attends Coolidge Junior High School. And the 14 Granite City girls took on a field of 13 other college teams and blew right past just about everyone they played. South averaged five and a half

goals a game, while its goalie Nancy Jones held the opponents to just over a goal. It was Jones that provided the winning edge in the championship game.

The tournament was divided into two divisions with a round-robin play within each division. After six games, the first place team in each division would play the fourth place team of the other division. The winners would meet in the semi-finals and those winners would play for the finals.

South was pitted against the University of Miami of Ohio for the championship. Goals by Schefke and Petty to Marilyn Horbelt sent the game into two overtimes, penalty kicks and then finally into sudden death, in which the first team to score would win. Bledsoe scored the goal for South and Jones stopped Miami's attempt to go South the win.

Until that game, the road was smooth sailing. The Warriors opened up with a 3-1 win over the University of Wisconsin at Madison. Sophomore Schefke got two goals and senior Petty scored one. It was an easy 6-0 win over Hoffman Eastates. Sophomores Kessler, Marilyn Horbelt along with Schefke and Petty each scored a goal. Senior Schuler got two.

Game three saw a 7-2 win over Michigan State. Schuler, Marilyn Horbelt and junior Bledsoe all scored twice, while Kessler got one.

Jones got her second shutout, a 9-0 victory over Wheaton College. Schefke and Bledsoe got two goals as sophomores Portell, Loftus and Harrell score once along with Schuler and Petty.

South took on another Big Ten school in Ohio State and proved it wasn't so big, winning 5-1. Bledsoe got the hat trick, scoring three goals, while Schefke and senior Rhonda Jackson each got one.

It was a second 5-1 score in game six. This one was over Slippery Rock. Schefke scored two more goals as Schuler, Bledsoe and freshman James all got one. A piece.

The semi-finals saw South playing Wisconsin-Madison again, but the results were two more goals for the Warriors, who won 5-1. Schuler, Harrell, James, sophomore Carolyn Horbelt and eight grad Dodson all scored one goal.

Schefke was the leading scorer on the team for the tournament with 10 goals. Bledsoe was second with nine as Schuler scored eight. All three girls were named to the All-Tournament Team.

The decided 'underdogs' in the tourney, South ran its team record to 26-3-3. Besides Bloomington, other trips have taken South to Indianapolis, Memphis and Cincinnati, along with playing in the St. Louis area. So, it's not only been the college ladies that have found out how tough South really is.

All parents of South students are invited.

## Free tickets

GRANITE CITY — The Granite City Park District has only 10 tickets left for the St. Louis Cardinal Baseball Game for the senior citizens of the Granite City Park District. Senior citizens must live in the Park District in order to qualify for the trip.

The trip is scheduled for Thursday, May 21. The buses will leave the Wilson Park Ice Rink parking lot at 11 a.m. The game will start at 12:35. Tickets for the Cardinals-Asstros Game are \$2.50 each. Those interested may register for the trip at the Park District Office. There will be no fee for providing the buses. For more in-

formation, those interested may call the park office at 877-3059.

# Steelers bump off South

By TOM SCHOCKER

of the Press-Record  
GRANITE CITY — It's all academic now — the rest of the regular season, that is.

The Granite City North baseball team won the important one. For head coach Bob Stegmeyer, that's all that counts right now. The Steelers let their chances for a conference championship slip (twice before). But the third time was a charm. North didn't let Friday's game against Granite City South get away.

A 3-1 Steeler victory on South's home field enabled North to clinch a tie for the Gateway East Conference Championship.

Completing their conference action with a 6-2 record, the Steelers must share the Gateway East title with Edwardsville, which also posted a 6-2 mark, despite North having beaten the Tigres twice during the season.

"There isn't head-to-head competition anymore," said Stegmeyer. "I think they (North) wanted a conference championship. They let it get

away before by losing to Cahokia and Belleville. Althoff. I told them on the bus ride over that we shouldn't give it away again."

North took strong actions to assure it wouldn't have its last conference title shot slip away. As in the first two meetings between the sister schools, the Steelers jumped out to an early lead and looked to their starting pitcher for support to preserve the margin.

For this game, the pitching rotation brought Jody Fenton for the Warriors. North went with sophomore Paul Barrington. "Paul is really coming around," said Stegmeyer. "I wanted to throw him, because they (South) had seen (Rich) Trankina twice. Stegmeyer wasn't disappointed."

Barrington showed a lot of mature qualities as he mowed down the Warrior lineup. Other than South's run scoring second inning and a first and third, two-out jam in the third, Barrington was in complete control.

Steve Ficker started up South's only offensive threat when he ripped a one-out double in the second. Ken Wilson followed him and reached on an error when North's first baseman Scott Corey lifted his foot too soon from the bag, John Linhart then strided a single and the Warriors were on the scoreboard. It would be the only time.

Barrington ran into a first and third situation in the next inning and managed to pitch out of it. From there, he set down 13 of the next 14 batters he faced, enroute to a three-hit gem.

While Barrington was shutting down South, Warrior relief pitcher Rick Daily was doing a job carving up the North line-up. He allowed just two hits while striking out four in four innings of work.

"I thought Daily was going to start," said Stegmeyer. "I don't know what would have happened then. We may have scored three runs in the sixth or seventh." It's unfortunate for South that Daily only started in the

fourth inning. The Steelers had already built their two-run lead.

"Daily has pitched three super ball games now," said Warrior head coach John Modica. "Jody Fenton has pitched well lately too, but he just wasn't ready to pitch today." Opening the game with a walk to Carl Luehmann, Fenton then gave up a base hit to Brian Corey. Rightfielder Wilson over threw the mark at third trying to prevent Luehmann from advancing, but the sailing throw put Luehmann on third anyway.

"Wilson wasn't mentally ready to play, either," said Modica. "Two players made the difference. You have to have nine to play the game right." Rick Buer sort of got Wilson off the hook by blasting a triple that scored both Luehmann and Corey. Mark Hessler finished off the run output with a single to drive in Buer.

North generated a couple other threats, but with the way Barrington was pitching, it had done its job. And for a team that wasn't

supposed to be anything like the power squad of last year, the conference tie was sweet for Stegmeyer.

"When North was a non-conference school, the most important thing during the season was the regionals," said Stegmeyer. "Now, the conference means a lot and is top priority, because it's more obtainable. You see, we lost two games and still tied for the title. The state tourney would have to be next, though. There if you lose, you're out."

So, what the Steelers have been striving for all season long has been accomplished. At least a tie for first is better than a second. With just three games remaining on the schedule, North can relax and tune up for the regionals. "We just have to improve on what we have been doing right so far," said Stegmeyer. "It wouldn't be a crisis sort of thing if we lost the next couple of games. We did what we had to."

squad won its event. Banks, Ward, Lovett and Smith. It was a time of 1:49.3, well ahead of second place Greenfield's time of 1:51.

**CARLINVILLE** — Campers will have access to a more than adequate range of facilities at Blackburn College in Carlinville, Ill., the site of the Pat McBride Soccer Camp for boys and girls ages 8 to 18.

The campus, located about 60 miles northeast of St. Louis, provided the backdrop for a one-week session June 21-28. The camp's other three sessions are sold out.

An expert staff, headed by St. Louis Steamer coach Pat McBride, will offer intensive training on Blackburn's grass playing fields. Campers also can enjoy a swimming pool and will stay three to a room, in the college's dormitories.

Several Steamer players, as well as Steamer assistant coach Tim Rooney, will be on hand. Instruction also will be provided by co-director Bob Brunette, coach of U.S. Amateur Cup champion Bush of St. Louis; Blackburn coach Kevin Kelly; and Southern Illinois University-Edwardsville assistant coach Rick Benben.

Now in its fifth year, the camp charges \$140 tuition, which includes room, meals, T-shirt and insurance. All skill levels are welcome. More information may be obtained by writing the camp at 721 Davenport St., St. Louis, Mo. 63123 or by calling (314) 631-7114.

## Edwardsville wins GEC Open

Special to the Press-Record

**EDWARDSVILLE** — It's always good to go into post-season competition with some momentum. A conference title would be the perfect motivator. Harry Lang figured out his team's chances and Mel Bunting's goal followed. It may not have been a conference championship, but it was close enough for Lang and Bunting.

Both Lang, Granite City North's head track coach, and Bunting, Granite City South's head track coach, had to settle for a two-third finish in the Gateway East Conference Track Open at SIU here Thursday.

Edwardsville Tigers won the title, scoring 87 points to runner-up North at 86, South at 82. Cahokia won 57 and Belleville Althoff with only 7. Despite the second place, Lang wasn't disappointed. "I figured out the meet prior and I thought Edwardsville would win it," said Lang. It was true, the Tigers were all over the track, setting five new conference records. However, North was not to be done as it recorded three new times for the books, while Cahokia established two.

Two-miler Bruce DeRuntz set a new mark for the Steelers in the 3200 taking first in 9:51.17. He broke South's Dave Heazell's old time of 10:08. Warrior Dave McLean was second in 10:02.25 with teammate Jeff Taylor following in third at 10:13.44. Granite City completed the rout in the event as North's Bob Meyer ran a fifth.

North's Tim Rozycski was the next record setter with a time that, according to Lang, is a very good one. Rozycski established a new mark in the 300 low hurdles by breaking the old time of South's Steve Adams' 39.21. He ran the race in 39 seconds flat while taking first.

Warrior Bill Smith was third at 41.47, while another Steeler, Dave Davis pulled in fourth at 41.63.

The success of Mike Long for the Steelers continued when he threw a new distance in the shot put. Surpassing South's Mike

Konzen's old mark of 15.16 meters, Long added a full one meter to the distance as he took first with 16.20. Teammate Mike Jackson was second at 13.97 and South took a third with 12.86.

The Cahokia Comanches had its share of records as well. Edwardsville broke South's Houston's old time in the 1600 of 4:38.04. Lamb shaved eight seconds off with a time of 4:30.02. Bruce DeRuntz of North trailed in second at 4:37.06 as Warrior Drew Geisler at 4:40.4 and South also at 4:48, but for fifth.

The Tigers really turned it on as they won three of the five field events with all three in record setting fashion. Edwardsville's Kevin Mosby out did himself by creating two new marks. He won the long jump with a leap of 6.47 meters. It bettered the old mark of North's Mike York of 6.12. The Steelers' Pregel took a third at 5.97.

Mosby doubled his efforts by winning the triple jump with a new distance of 13.92 meters. Cahokia's Alan Fabbid had the old mark of 13.89. Granite City finished out the other

Francigoli, Dumont, Smith and Hoese, won third at 1:36.9. North took another back seat in fourth as Meyer, Doug Sheppard, Pregel and David Long finished at 1:37.5.

Still another record went by the boards when Ed Lamb of Edwardsville broke South's Houston's old time in the 1600 of 4:38.04. Lamb shaved eight seconds off with a time of 4:30.02. Bruce DeRuntz of North trailed in second at 4:37.06 as Warrior Drew Geisler at 4:40.4 and South also at 4:48, but for fifth.

placings as Collins of South was second at 12.59. North's Pregel was third at 12.49 and teammate Dave Long took a fifth at 11.97.

With finishing touches for Edwardsville were put on by Mark Bradford. He set a height in the high jump up 6 feet, four and half inches. Another York record (6-4) was erased as the Steeler mark was bettered by a half inch. South's Smith was second at 5-10 with Steeler Davis at 5-8 for fourth and Warrior Brian Plunk for South also at 5-8, but for fifth.

Complete results for the meet will be listed in the Scoreboard.

Despite a third place overall for South, Bunting was happy with the performance. "North has been a consistently strong team," said Bunting. "The kids (Warriors) did real well. They were just edged out for second."

But the biggest tip of the hat has to go to Edwardsville, which placed third last year in the meet. "I would like to congratulate coach Winston Brown (Edwardsville), publicly," said Bunting. "His team did a commendable job."

## Reed doing well at SIU

By DEB FRIED

For the Press-Record  
**EDWARDSVILLE** — Darlene Reed got started throwing the shot put when a friend on the men's track team gave her one to throw around one day in practice. The men's track team coach saw her and directed her to the women's track team coach. Now she is a star at Southern Illinois University at Edwardsville, where she holds the record in the shot put.

Reed has consistently broken the school record for the Cougars over and over throughout the 1981 season. Her best throw came at the Becky Boone Relays in Kentucky, where she threw the shot put 39 3/8". But she can go further, according to SIUE Coach Lori Stark. "Darlene has not reached her potential yet in the shot put. She can easily be throwing in the forties in the event."

The Madison High School graduate is a prep All-American in track and threw the shot put 38 3/8" her senior year to take the high school record. Her record still stands today.

Reed also plays basketball for the Cougars. She competed in the forward and center positions. "I enjoy the sport of basketball a lot and I like playing here at SIUE," commented Reed.

The physical education major still practices with her 12-pound shot put from high school. "I still practice with it and work on the fundamentals. I live at home and my family backs me up a lot. My brother, Roger, and I even run together once in a while on weekends."

### Total rainfall in area still below normal

Despite rainfall on 12 days during April, precipitation in the Quad-City area continued to fall below normal. Records at the Chain of Rocks locks which maintain rainfall records for the Army Corps of Engineers, show a total fall of 2.35 inches for the past month, 1.36 inches below the April normal of 3.71 inches.

The April fall brought to 6.69 inches the total rainfall for the first four months of the year, down 3.38 inches from the normal of 10.07 inches for the first four months.

Rainfall during April was the heaviest of any single month so far this year. January had 52 of an inch with a normal of 1.98 inches, while February recorded 2.15 inches with a normal of 2.94 inches, and March had 1.87 inches of rain with a normal of 2.34 inches.

The heaviest rainfall during April was 56 of an inch on April 20. On April 18, the fall was 29 of an inch and 27 of an inch fell on April 22. Another 25 of an inch was recorded April 14 and 23 of an inch fell on April 23.

A total of 26 of an inch of rain was recorded in the area on April 4. A fall of .03 of an inch fell on April 11 and 19.

Other rainfalls recorded during the month were .02 of an inch on April 2, .17 of an inch on April 12, .18 of an inch on April 29 and .06 of an inch on April 30.

### Louis Baer 4th graders attend symphony event

Fourth grade students from Louis Baer School attended a student concert by the St. Louis Symphony Orchestra at Powell Hall last week.

They were accompanied by their teachers, Edward Sido, Dorothy Johnson, Tim Schultz and Mary Whitley, a parent, Mrs. Mamie Owens, and Mrs. Bernadine Weidner, a member of the Venice-Madison Fine Arts Committee.

The program consisted of excerpts from "American in Paris" by Gershwin; excerpts from "Appalachian Spring" and "Hoedown from 'Rodeo'" by Copland; and "Variations on America" by Ives. Soloists were Jane Bergey, guitar and banjo, and Rebecca Boyer, fiddle and hammered dulcimer. Tickets were purchased by the Fine Arts Committee through a grant from the Illinois Arts Council, an agency of the state.

Mrs. Margaret Lee is chairman of the committee and Mrs. Marguerite Conole was coordinator of the project.

### Three Madison High students to attend Air Force seminar

Three students from Madison High School have been chosen to attend the annual Summer Scientific Seminar hosted by the United States Air Force at the Academy in Colorado in June.

Only 400 students throughout the nation are being chosen with five from each state.

Madison High School has been honored by having three of its students, Tracy Champion, Karen Lapinski and Greg Waters chosen to represent three of the five participants from Illinois.

The seminar is held to stimulate careers in the professions of science and engineering and create awareness among talented young people of the opportunities at the Air Force Academy.

Workshops in astronautics

and computer science, aeronautics, behavioral sciences, chemistry, civil engineering, electrical engineering, economics, management, geography, mathematical sciences, physics, political science, airmanship, and aviation science will be given.

The students will have additional opportunities to build small scale rockets and "fly" in the aerospace flight simulator.

Tracy Champion, daughter of Mr. and Mrs. Jack Champion, Karen Lapinski, daughter of Mr. and Mrs. Stanley Lapinski, and Greg Waters, son of Mrs. Maudie Waters all live in Madison.

## Thompson-Fleenor

Miss Debra Annette Fleenor, daughter of Mr. and Mrs. Robert Curtis of Mitchell, and the late Edgar L. Fleenor, became the bride of Tony Ray Thompson Jr., son of Mr. and Mrs. Tony Ray Thompson Sr., of Fairview Heights, on May 2.

The Rev. C. M. O'Guin performed a double ring ceremony at Pentecostal Church of God, 24th Street and Bromley Avenue at 10:30 in the morning.

Escorted to the altar by her father, the bride wore a floor length white Chantilly lace gown fashioned with a scallop neckline edged in lace motifs and long tapered sleeves.

Her full skirt extended into a cathedral train and she wore a lace headpiece to secure her lace bordered veil of bridal illusion. She held a

colonial bouquet of white daisies and blue carnations. Matron of honor was Mrs. Christine Donaldson. She selected a formal blue organza dress accented with lace trim, and she carried a bouquet of white carnations. Robert Pittman attended the groom as best man. Jeff Tidwell served as the ringbearer, Annette Fischer was the flower girl, and Bobby Jo Fischer was the train bearer. Both youngsters were dressed in pastel blue frocks.

Guests were received at a reception at Tri-Mor Bowl 300 Room immediately following the ceremony.

The groom attended South High School and the bride graduated from North High School. They are residing in Granite City.

## Douglas-Sullivan

Miss Cathy L. Sullivan, daughter of Mr. and Mrs. James Sullivan, 2651 Nameoki Drive, and Dwayne Douglas, son of Mr. and Mrs. Bobby Douglas, 2217 Edwards St., were united in marriage on Feb. 14, at Bethesda Baptist Church.

The Rev. Luther Abbott officiated at a double ring ceremony at 7 o'clock in the evening followed by a reception given in the church hall.

Margaret Meredith, a cousin of the bride, played a selection of wedding music prior to the service.

The bride selected a long white bouffant organza gown fashioned with a fitted bodice and long bishop sleeves enhanced with an Alencon lace trim.

A sheer gathered flounce encircled the full skirt and chapel train.

She wore a mantilla veil of bridal illusion edged with Alencon lace and she carried

a colonial bouquet of blue and white carnations.

Miss Patty Woodard served as maid of honor and Miss Rhonda Sullivan, a sister of the bride, was the bridesmaid.

They appeared in identical blue lace dresses designed with a spaghetti strap bodices, trimmed with white lace, and worn with matching jackets.

Each attendant wore blue and white carnations in their hair and held bouquets of matching blossoms.

The groom chose Chuck Alexander as best man and Lonnie Phillips as groomsmen.

Brenda Knight, the bride's cousin, attended the guest book.

Mrs. Sullivan, mother of the bride, was attired in a pastel blue gown and the groom's mother chose a Navy blue dress accented with white lace.

The newlyweds are residing in Granite City. Both graduated from South High School, and the bride also graduated from Granite City School of Beauty Culture. The groom is employed at Mrs. Seibold's Bake Shop.

## Mrs. Warfield club hostess

Mrs. Helen Warfield, 1745 Spring Ave., entertained the Rollettes Club in her home and the group honored Mrs. Judy Gregory on her birthday.

Games were played during the evening and prizes awarded to Barbara Monroe, Kathleen Wofford and Betty Brooks.

Others attending were Edith Wofford, Joyce Waller, Jeanette Wilson, Foutta Radefeld, Nellie Nicol and a guest, Sally Whitehead. Mrs. Gregory will host the next meeting in her home, 2315 E. 24th St.

Mr. and Mrs. Gaylon Harris

## Harris-Meredith

Bouquets of blue and white carnations decorated the altar in Bethesda Baptist Church for the wedding on March 21 of Miss Margaret E. Meredith and Gaylon D. Harris.

The Rev. Luther Abbott performed a double ring ceremony at 2 p.m. Nuptial selections included, "If" and "The Wedding March."

Parents of the bride are Mr. and Mrs. Albert Meredith, 2229 Cardinal Ave. The groom is the son of Mr. and Mrs. Ray Harris, 2832 Sinclair Ave.

For her wedding the former Miss Meredith chose a full length white chiffon over taffeta A-line style gown. Schiffler embossed fabric created the high collar and oval yoke which was defined with a gathered ruffle.

Her sheer bishop sleeves terminated at the wrists with accordion pleated cuffs and the A-line skirt was encircled with a Schiffler flounce that extended into a chapel train.

She wore a lace camelot headpiece, etched with seed pearls, to secure her veil of bridal illusion and she held a bouquet of white carnations intermingled with greenery and tied with blue and white ribbons.

Honor attendant was

Karen M. Abbott. She was attired in a blue formal gown designed with a fitted bodice featuring spaghetti straps and complemented with a matching jacket.

She carried a blue and white carnation floral arrangement.

James Draper attended the groom as best man.

A reception was held in the church hall after the service. Both young people are graduates of South High School. The groom is working at Cerro Copper in Sault, Ill. They are residing in Granite City.

## Lioness project nets over \$930

The Pontoon Beach Lioness Club sponsored a fund raising project during the weekend and collected over \$930 to aid the blind, visually handicapped, deaf and hearing impaired children.

Members of the host club and the Pontoon Beach Lions Club sold carnation corn at various stores and shopping centers to collect the money.

Those participating in the project were stationed at Shop-N-Sav, Reese Drug Store, Kroger, National, Schermers, K-Mart, Cohens and A&J Market.

Ronald Stegelmeyer and Tamara Pence

## Stegelmeyer-Pence

The engagement of Miss Tamara Sue Pence, daughter of Mrs. Mary Lou Pence, 100 Central Ave., and the late Edward Pence, and

Ronald Richard Stegelmeyer is being announced by the bride-elect's mother.

Parents of the prospective groom, Mr. and Mrs. Walter Stegelmeyer, reside at 1813 Bremen Ave.

Both young people are graduates of North High School and are attending Southern Illinois University at Edwardsville.

Miss Pence is a member of the Modern Music Masters at the International House of Pancakes.

The engaged couple are completing plans for a June 20 wedding to be solemnized at Word of Life Tabernacle.

Mrs. Alan Seeger

## Seeger-Bloodworth

An out of town wedding of interest was that of Miss Janna Kay Bloodworth and Alan Amos Seeger on Saturday, May 9, at the Grace United Methodist Church in Oklahoma City, Okla.

The bride is the daughter of Mrs. Kathryn L. (Kitty) Bloodworth, 12306 Greenlea Chase West, Oklahoma City, Okla., formerly of Granite City, and the late John N. Bloodworth. Parents of the groom are Amos Seeger, 3009 St. Clair, Oklahoma City, and Mrs. Bonnell Seeger, Cardwell, Mo.

Arrangements of silk tulips and carnations intermingled with greenery adorned the altar for the 2 o'clock afternoon double ring ceremony performed by the Rev. Edward J. Light.

Nuptial selections included "Lady," "Where You Lead," "Woman," and "One Love." Also instrumental arrangements by the groom of "A Time For Us," "Pretty Lady," and "One Hand, One Heart" featuring Ruth Ann Moore, as the vocalist. The groom also arranged a recording of "Cause I Love You."

Given in marriage by her uncle, Homer Perkins of Steelville, Mo., the bride wore a formal white Chantilly gown fashioned with a fitted bodice, Queen Anne neckline and long Victorian style sleeves, accented with pearls and sequins.

The skirt of cascading ruffles was also created of Chantilly and fell softly into a cathedral length train. Her full length veil of bridal illusion was held in place by a lace headpiece enhanced with a seed pearl and sequin trim. She held a bouquet of silk carnations and tulips in rainbow hues.

Miss Carrie Acton served as maid of honor. She selected a lavender floor length A-line dress designed with a lace yoke which ex-

tended across the bodice to create a short cape effect.

The bridesmaids included Miss Jeanelle Barrett, Miss Deborah Thompson, a cousin of the bride, Mrs. Linda Rozicki, Miss Ina Marie Smedley and Miss Janie Bernasco.

They appeared in long gowns in pink, apricot, yellow, blue and green identical in style to the honor attendant.

All the attendants wore flowers in their hair and held bouquets of tulips and carnations in the rainbow colors.

Auri Smedley and Rawn Smedley were the flower girl and ringbearer. She was dressed in a long white organza frock and she carried a wicker basket of silk blossoms and wore a halo of similar flowers in her hair.

The groom chose Charles Cochran as best man. Jerry Griffin, Bob Perkins, a cousin of the bride, Steven Brown, Tony Payton and Greg Benson, served as groomsmen.

Seating the guests were Mark Hise and Kevin Rushing.

After the church rehearsal, a picnic supper was served in Will Rogers Park to members of the wedding party and their families.

Guests were received by the newlywed couple after the ceremony at a reception hosted at the Eastlake Patio Homes clubhouse in Oklahoma City.

The bride is a graduate of North High School and the groom was graduated from Putnam City High School and attended Central State University, Edmond, Okla. Both young people are attending South Oklahoma City Junior College.

They will be at home in Oklahoma City after a wedding trip to Shawnee, Okla.

## Friendly Agers hear speaker

Deviations were given by special guest Dr. William Weedman at a meeting of the Friendly Agers Club of Second Baptist Church last week. Dr. Weedman chose John 4 Psalm 33 for the prayer.

A potluck dinner was served to the 43 members and seven guests in attendance.

After the meeting was opened with a prayer read by Art Hoffman, the group sang "He Touched Me."

The group was entertained with a skit entitled "Rocking Chair." Goldie Smith, Ruby Mayberry and Mina Duggins served on the game committee.

Presenting the "Easter Hat Parade" were Naomi Ronney, Myra Grote, Naomi Burnett, Gladys Hudgens, Florence Paul, John Cavens, Jack Jenkins and Mina Duggins.

"The Old Rugged Cross," special song for the evening was sung by Alice Hoffman and Mildred Garin.

Carl Watkins closed the meeting with a prayer for the sick.

## Navy Mothers install new club officers

Approximately 200 people attended an installation dinner, sponsored by the Quad-City Navy Mothers Club, Chapter 850 at the V.F.W. Hall in Granite City last week.

Retiring Commander Irma Manning introduced other retiring officers and new officers. Mrs. Manning received a gift of appreciation for her work as commander of the club. Navy Recruiters Joe Lanham, E.T. James Burgess, R.M.C.S., Ed Vennun, B.V. and Dennis Chandler, T.M.T., presided over the installation of the new officers.

Mrs. Margaret Crawshaw provided piano music for the ceremony, and Vince's International entertained the group for the remainder of the evening.

A hand made quilt, donated by Mrs. Mamie Boyer, was won by Mrs.

## Marcie Johnson "girl of year"

Members of Nu Zeta Chapter of Beta Sigma Phi attended a Founder's Day dinner at Charlie's Restaurant and elected Marcie Johnson as Girl of the Year. She was then presented with a trophy. The chapter also received a second place ribbon for their scrapbook entry.

Those attending the dinner were Debbie Brown, Cheryl Barton, Mrs. Johnson, Leona Macke and Carol Moerlin.

An earlier meeting were hosted by Mrs. Debbie Brown when it was noted three members had attended the Bethalto convention.

During a second session with Mrs. Moerlin serving as hostess a program on ESP was given by Betty Miles and Sara Stephens.

## Elkettes host mothers dinner

A circus motif was used to decorate the Elks Lodge last week for the annual mother and daughter banquet attended by 210 and hosted by the Elkette Club.

Table centerpieces were clowns and favors were popcorn ice cream cones in assorted colors. Helium filled clown balloons were grouped throughout the hall and an old fashioned popcorn machine was the center of attraction.

President JoAnn Romine was chairman of the affair and committee members were Bess Weiss, Helen Todoroff, Bert Pucker, Dean Graf, Mary Hoffman, June Morgan, Miriam Mers, Meri Briscoe and Diane Schwendeman who were in charge of decorations.

Dorothy Sheppard and Margaret Wilimzig served as co-chairmen of the cocktail table.

Program chairman was Virginia Johnson and the evening's entertainment was provided by Elkette members Dee Metcalf, Theresa Harding, Jane Parkinson, Elmina Trachsel, Jane Gibson, Margaret Rush, Betty McGinty, Carolyn Belling and Gail Sinner, accompanied by Jurel Schmeisser.

Mrs. Romine extended appreciation to Elk members, Norb Homyer, Edward Jenkins, Tony Todoroff and Roy Wilimzig who assisted with the decorations.

During the evening Mrs. Jo Yetter was installed as vice-president by Mrs. Phyllis Grimm, a past president of the club.

Prizes for the evening were won by Tricia Thouvenot, Jan Vitale, Alice Rodell, Helen Schmeisser, Mildred Jungels, Elsie Rodell, Kathy Cross, Helen Green, Jackie Reingel, Sandra Lane, Wilma Mannogian, Marge Hiltner, Jamie Harsh, Hilda Davis, Bess Weiss, Nellie Harshberger, Hilda Lombardi, Sherlyn Willard, Melinda Pucker, Maureen Hoffman, Julie Barnes, Kam Pomeroy, Jill Conroy, Jo Marie Markel, Helen Beard, Bobbie Sykes and Judy Dushman.

The next meeting will be at 8 p.m. on June 2 in the Elks Rathskeller.

## Ronald Stephens marks birthday

Ronald Brad Lee Stephens celebrated his second birthday at a party given during the weekend by his parents, Mr. and Mrs. Ronald Lee (Bonnie) Stephens, 4010 Braden Ave.

The party was given at the grand opening of the party room of Rainbow Soft Cream Parlor, 1739 Pontoon Road. A Sesame Street motif was used for the party decorations.

Refreshments were served to Mrs. Dollie Corbett, great-grandmother and Mrs. Geneva Stephens, Eddie and Cheryl Stephens, Glen and Connie Dennis, Connie Krajewski, Robert and Deana Jones, Aaron Dennis, Laura, Todd, Jeff and Minda Stephens.

Refreshments were served by the hostess to those named and to Leona Delaioye, Julie Portel, Florida Batson and Rose Drube.

She is the daughter of Mrs. Lois King, 3876 Roney Drive, and Larry King, 2255 Bern Ave. Miss King is a business major and is involved in the Co-op program. She is planning on attending Bellevue Area College to study court reporting, after graduation.

Patricia Marie Carney was elected first attendant. She is the daughter of Mrs. Patricia Ann Mayo, 3881 Rodney Drive, and also is a student at Granite City High School.

Court attendants include Traci Millard, Adrienne Pumphreys, Rae Lynn Rainwater, Jill Robertson, Paula Starling, Connie Siebert and Kristin Wright.

## Chapter KU hears paramedic speaker

Ed Martin from the Illinois Heart Association, spoke at a meeting of Chapter KU, P.E.O. Sisterhood, hosted by Mrs. Barbara Houston, 3121 Ash Ave.

He spoke on the paramedic program being organized through the hospital and told of the work accomplished by the units to aid area residents.

President Joanne Kraus presided at the session and announced a salad supper will be held at 6:30 p.m. Tuesday in the home of Mrs. Ila Maxton, 30 Oaklawn Drive.

After the supper an initiation ceremony will be conducted for Mary McCarty.

The remainder of the business segment was spent in discussing proposals for new by-laws and changes. Others attending were Ruth Ann Bartels, JoAnn Burcky, Fay Carlisle, Bessie Coolidge, Hilda Davis, Mary Hemphill, Ila Maxton, Jean Maxwell, Ruth McCarty, Mary Mullen, Elizabeth Res, Mary Robinson, Mary Jo Thrane and Eunice Witter.

## Guild hears John Johnson

John Johnson, a counselor at the Granite City Mental Health Clinic, spoke to 23 members of St. John's Evening Guild, last week. Devotionals were given by Mrs. Delores Gaines and Mrs. Joan Schnyder. The theme of the devotionals was "Mother's Day."

Birthday members honored were Mrs. Judy Human and Mrs. Bea Rittenhouse.

Others assisting on the fellowship committee were Mrs. Linda Sturman and Mrs. Marie Klann. Next month's program will feature Dr. Thomas Clay, chiropractor, who will speak on "Accupuncture, Health and Healing." It was announced.

## Circle hears Clara Huber

Mrs. Dolores Allen, co-leader of Love Circle, introduced Mrs. Clara Huber, who gave a devotional lesson at a meeting of Love Circle of Niedringhaus United Methodist Church, Thursday morning.

Mrs. Huber selected Dnah as her topic in the continuing study of the women of the bible.

The group met in the church parlors for the session hosted by Mrs. Golda Boyle and Mrs. Gladys Potillo.

During the meeting, Mrs. Allen, president of Church Women United, suggested all wear green ribbons in observance of the tragic deaths in Atlanta, Ga.

Love Circle will host the general meeting in June with Irene Kenner serving as chairman of the committee.

A pot luck for all members and friends of the church will be held at 6:30 p.m. Thursday, the chairman noted.

She added that Mrs. Edith Jenkins will present a talk illustrated with slides of the Navaho Indians of New Mexico.

Others present were Shirley Lane, a guest, Mary Miller, Dorothy Whitmer, Sharon Shaffer, Donna Kagy, Ida Carlas, Lois Lester, Esther Traylor and Dorothy Allen.

### Vote on new metals plant ignored too many residents

We are baffled. We predicted after the April 7 election that Mayor Paul Schuler of Granite City would have better cooperation by the new council than any mayor has had from a council here in decades, but we did not know how much.

Action by the council last week disregarding the wishes and fears of more than 600 residents opposing the establishment of a large rail car reclamation yard on Missouri Avenue, south of the Shasta Bottling Co. plant, was surprising, to say the least.

We cannot recall a city council in recent decades brushing off so large a contingency of objectors on any subject.

The day of the city council meeting, some city department heads and aldermen appeared to oppose rezoning for the new industry, but by that night, most were in the "Yes" camp.

We do not know how many minds were made up or changed during an announced luncheon that day with company officials in a back room at a local restaurant. It is believed the mayor and four aldermen attended. The mayor and two of the aldermen at that luncheon ultimately voted in favor of the new plant. Two other aldermen voted no.

Alderman Paul Raybender, one of those who attended the luncheon, said he got up, said his piece in opposition to the rezoning and left without staying for lunch. His opposition continued through the council's vote, even though he has one relative who works for the company in question at another facility, and another of his relatives is involved in the sale of the land here to the company. It appears he voted his conscience, regardless of the hard feelings it may cause among family members.

We do not know if any minds were swayed at an unannounced caucus held prior to the city council meeting. Some aldermen not in attendance were summoned from a hearing in city hall dealing with the proposed sewage pretreatment program to participate in the caucus.

Alderman Sam Alderman, who was to leave the pretreatment meeting to go to the caucus. We salute his foresight.

There are serious doubts whether the luncheon and caucus were legal under the Illinois Open Meetings Act. They were not announced and members of the news media were not invited to attend. The act held. A Press-Record reporter was in that restaurant for lunch that day, unaware of the back room meeting going on only yards

away. One alderman, Fred "Pat" Schuman, knew the reporter was in the building, having spoken to him when the alderman entered the restaurant.

After a busy day the council went into session, heard objections from several persons and then unloaded the city's ammunition.

First, City Attorney John Papa gave a generally favorable report on a pending court injunction prohibiting the rail reclamation yard's parking of cars from open burning or torch cutting of tank cars containing residue of hazardous materials anywhere in the state. Papa countered that the Illinois Environmental Protection Agency, which filed the suit against the company, has never had to file an enforcement action against the company and said there have been no contempt citations since the temporary injunction was issued.

Paula Case, head of the city's air pollution control department, was next, stating the proposed operations are an absolutely "clean bill" from an air pollution standpoint. She contended even construction of a smelter would not cause as much air pollution.

Then came the support from the alderman of the ward, Warren Decatur, who said he had no objection to the plan, and the company officials and says the benefit of employing people would be greater than the disadvantages of a junk yard-type operation.

Mayor Schuler asked the aldermen to disregard newspaper accounts of the parent company's brushes with the EPA and the courts, saying the aldermen had "more information than the newspapers had time to publish." He urged them to vote on the facts as presented by the city attorney and air pollution control head.

Bowler said the caucus convinced him that the motion would pass. He was correct. The council voted 6 to 6 to approve the rezoning for the new business.

Even though his vote may not have been needed, the mayor was among those who went on record as favoring the project. It is unusual for the mayor to vote, except to break a tie. Without his vote, the project still would have been approved 7 to 6, which would have been a majority of those present, but not a majority of the council.

The M-2 (heavy industrial) zoning will give the company nearly a free rein to build and operate permits, but the company has won the biggest battle and residents who oppose the plant's location here may find a rough road ahead trying to stop it.

### Supports restraints on librarians in state

To the Editor:  
So much has been said and written regarding House Bill 462 and Senate Bill 164, I just cannot let it go by without comment.

The current Illinois criminal code makes it a crime to give prurient materials to minor children under age 18, but exempts libraries. This existing law explicitly defines "harmful" material as having its predominant appeal "to prurient interest, that is, a shameful or morbid interest in nudity, sex or excretion, which goes substantially beyond customary limits of candor..."

Since public school teachers, as well as all other citizens, are subject to the law, why should librarians be the only exempted group and be privileged to give porn to kids?

Opponents of this bill say that it would "have a chilling effect on sex education." If

that is the case, what in the world is being taught in the name of sex education?

Most of us who support HB 462 and SB 164, do not object to honest, wholesome sex education. Children should be taught how their bodies and emotions function. But the ideas of "anything goes," "nothing is abnormal," "expose them to absolutely everything that exists—at any age," are repulsive to some of us.

Whatever happened to the idea that adults are guilty bound to protect the innocence of children?

Why is it that we hear words like "omission" and "editing" when the media speaks of itself; but when concerned citizens speak out, we hear the cry of "censorship"?

Lovers of children, your state legislators need to hear from you!

JOYCE FENCEL  
Edwardsville

### Favors new scrap firm

To the Editor:

I am writing in reference to the proposed scrap plant which is to be built in Granite City. Granite City needs the salvage plant to provide much-needed jobs and tax revenue for the unemployed workers and city government.

A city which derives most of its living from steel manufacture needs a scrap metal facility to provide scrap metal for National

Steel and American Steel. Junk cars can be smashed and used as scrap metal by the new salvage plant thereby eliminating eyesores in West Granite City.

Instead of downgrading a new plant, the city of Granite City should welcome new jobs and tax revenue. Granite City has invested ten million dollars in the new plant.

### Appreciate the 'bother'

To the Editor:

We appreciate the bother that Alderman Mac Ward went through the Sixth Ward field trip to the city council and chief of police concerning Maryville Road speed limit.

I am tired of getting calls about Maryville Road. However, we thought this

was part of the job as an alderman of the ward. We are confident that people of the ward will remember that quote and come election day will replace a tired alderman.

### Plan zoning meetings

The Granite City Plan Commission and Board of Appeals have scheduled meetings this week to consider a total of four requests for changes or variances in the zoning law.

The Board of Appeals will meet at 1:15 p.m. Wednesday, May 13, in the city hall conference room on the top floor of city hall to consider three requests for variances.

Robert Lybarger, 1640 Venice Ave., seeks to construct an unattached garage

1½ feet from the side property line. Geoffrey Ahring, 2524 Benton St., plans to relocate a garage one foot from the side property line.

Davis, 3013 National Ave., seeks approval to construct an attached garage one foot from the property line at 3013 National Ave.

The Plan Commission will meet the following day, May 14, at 1:15 p.m. in the mayor's conference room to consider a request by Charles and Robert Palus for an R-5 multi-family residential zoning classification rather than the current R-2 single-family residential zoning for property at 27th and Adams Streets for apartments.

Both city bodies serve only as advisory boards to the Granite City Council, which must give final approval or denial to all of the requests.

### Millionth call for information at Bi-State

The one millionth call to the Bi-State Development Agency's Transit Information Department in fiscal year 1981 for route and schedule information was answered at 1:27 p.m. on Monday, April 20, 1981, setting a new record. The old record, set last year, recorded the millionth call on June 13, 1980, 53 days later.

"Over the past year the number of calls to Bi-State has increased almost 9 percent and we have been able to answer 17 percent more calls," said Donald J. Schmitt, transit information director. "Our percentage of calls answered approaches 99 percent, making Bi-State's transit information system one of the best, if not the best, system of its kind in the nation."

"Our 28 transit information operators lost 82,681 fewer calls than at the time last year even though they received 93,325 more calls," Schmitt said. Those calls that are not answered, are disconnected by faulty equipment, or those in which the caller calls back before receiving information.

In June 1980, Southwestern Bell Telephone Company installed an ECD 16 electronic telephone system at Bi-State. The system, which includes an electronic call queue, is the most sophisticated telephone information system available to any agency in the state today, according to Schmitt.

### 136 die in state during April mishaps

April traffic fatalities on Illinois highways decreased 5.6 percent when compared to figures for April 1980, and decreased 12.3 percent from the total fatality figure for April 1979, according to provisional statistics released by the Illinois Department of Transportation and the Illinois State Police.

Provisional figures show 136 people died as a result of 124 accidents during April. This is a decrease from the 144 traffic fatalities in April 1980, and a decrease from the 155 fatality total for April 1979. For the first four months of 1981, there were 521 traffic fatalities, an increase of 0.8 percent from the 517 deaths for the same period of 1980, and an increase of 9.5 from the 476 deaths for the same period of 1979.

Last month's fatality total includes 29 pedestrians killed in 29 accidents, three bicyclists killed in three accidents, and eight persons killed in eight accidents involving motorcycles.

The Rev. David Maxton will officiate at the memorial service.

Memorial services will be conducted at 3 p.m. Sunday, May 31, at the First United Presbyterian Church, for Miss Lucile Macleod, who died at 9:45 p.m. April 23 in Florida.

A retired Granite City School teacher, she was an active member of the First United Presbyterian Church here. She was a teacher from 1922 until retiring in June 1970.

She is survived by her sister Mrs. Fran Bence of Clearwater, Fla., with whom she had been residing.

The Rev. David Maxton will officiate at the memorial service.

FIREARM ARREST  
Rick A. Nelson, 19, of 2164 Lee Ave., was charged with discharging firearms in the city limits after police allegedly saw a revolver in his hand and arrested him in the 2400 block of Jordan Avenue at 3:40 a.m. Saturday.

According to the report, William C. Grenia, 3081 Lake Drive, Lot 134, owned the .44 Smith & Wesson revolver and had given Nelson a ride. When he showed Nelson the gun he took it and allegedly ran from the car at 27th and Washington Avenue.

**VISITORS TO SIUE.** Barbara Joiner, attorney for Student Legal Services at Southern Illinois University at Edwardsville, and Gerald Cohn (right), U.S. Federal magistrate, welcome Illinois Supreme Court Chief Justice Joseph Goldenshersh to the University campus. Judge Goldenshersh was on the campus as a guest speaker for student legal services.

### St. Clair county bus service cut to 3 lines

The Bi-State Development Agency Board of Commissioners Thursday in special session approved reduced level of bus service for St. Clair County, effective July 6.

Three corridors will radiate out of downtown St. Louis, with the central corridor serving Belleville, a northern corridor serving the Washington Park area, and a southern corridor serving the Alorton-Centerville areas. All corridors will serve the East St. Louis community.

The number of runs on the line presently serving these areas will be reduced, and Sunday service will be eliminated. All other St. Clair service currently

operating solely within the county will be eliminated, as will the Belleville Muny Opera line.

The Bi-State bus service that will operate in St. Clair County starting July 6, will be reduced from the current 33 runs per day to about 22, of which approximately one-third will operate between Belleville and St. Louis, and two-thirds between downtown St. Louis and 89th and State streets in East St. Louis; the Alton-Site line which will be reduced from the current 13 runs per day to nine; and a modified routing on the Washington Park line

which will be reduced from 11 runs to nine.

This reduction in service was necessary because of the loss of income resulting from the St. Clair Board and Transit District's decision to eliminate the one-fourth cent transportation sales tax or June 30. The local tax was a necessary requirement for state funding to remain at the present level.

Bi-State management told the Board of Commissioners that sufficient short-range funding, pending any request by the Madison County Transit Board for more service, should be available to our 40 runs (buses) on the streets each weekday. In the long-range, funds should be available to operate 26 runs a day in St. Clair.

Madison County is continuing the one-fourth cent transportation tax and therefore has sufficient funding available for bus service now provided in that county, plus additional service if desired in the future. The Bi-State Board, with the maximum possible service, 40 runs a day for as long as possible.

Chairman James S. Nations cautioned however that, "During this transition period, we want to provide St. Clair with as much service as possible, spread out in the best pattern to service the most people, realizing that the 40 runs may have to be reduced if Madison County calls for increased service."

Operations will cease on July 5 at the Belleville and East St. Louis station garages, and both facilities will be closed. Buses serving Illinois will operate out of Missouri stations.

In related board action, approval was given to the addition of a new express line from St. Clair County to downtown St. Louis, the extension of the Alton-Hazelwood Park-Ride to begin and end in Bethalto, and the deletion of the Caseyville-Collinsville route, all effective July 6.

Schedules for the July 6 changes will be developed over the next two weeks and passengers are encouraged to call or write Bi-State Information after June 1 for schedule information. In Missouri, the toll-free number is 773-1120; in Belleville, 233-3700; and in East St. Louis, 875-4144 or write Bi-State Development Agency, Transit Information Division, 3869 Park Avenue, St. Louis, Mo. 63110.

YOUTH GROUP ATTENDS RALLY  
Four members of Sacred Heart CYO, Chuck York, Eddie Williamson, Cindy Lombardi and Cindy Grimes, attended a Catholic Youth Rally in Springfield, Ill., accompanied by Therese Pashea.

Highlight of the rally were several seminars on present day topics and their value to the church, the local group explained.

The group attended seminars on "Death and Dying," "I'm OK Your OK," and "Rock and Religion."

During the informative sessions the Granite City delegation attended mass given by Bishop Joseph A. McNicholas.

### Complains of sexist editing

To the Editor:

As a subscriber to the Granite City Press-Record, I feel that I must voice my complaint about some sexist practices employed by the editors of this publication.

Probably the most subtle problem lies within the system of labeling the women in the feature stories as "Mrs." or "Miss" I am not necessarily advocating the use of "Ms." in their stead, but I am definitely questioning why only the women are labeled. In just one front page, for example, I noted that all of the men who were discussed or interviewed were simply called "John Doe" while a woman in a similar article was referred to as "Mrs. Jane Doe."

I also realized that the men were later referred to by their last names alone but

the women was "Mrs." throughout the entire article.

Now I consider this to be a mild but disturbing form of sexism because I detect an obvious difference in treatment of the two sexes (the person's) highlighted in the article.

Another practice, which I find to be the most blatant and insulting, is predominant in the society pages. Any woman who is married is referred to as "Mrs. John Doe" just as the woman who has recently married has already done. I know this sounds ridiculous, but all engagement or wedding announcements are headlined or reported exactly this way. A simple "Jane and John will be (or were) married" would

eliminate any chance for insult.

Finally, I would like to defend myself against the probable attacks by assuring the editors that I do realize the impact that such change can have on a "small-town" newspaper. However, I also

know that the editors of newspapers have sufficiently eliminated such offenses and were merely following the lead of the major publications such as the New York Times and the Wall Street Journal. Therefore, I suggest the editors consider these issues not only for their offended female readers, but for the credibility of the Press-Record as well.

### Safety classes for cyclists

Free classes for motorcycle riders are scheduled from May through September in throughout Southern Illinois.

Offered by Southern Illinois University at Carbondale, the classes are designed for cyclists who have ridden fewer than 10,000 miles, according to Fredrick H. Ford, coordinator of SIUC's Safety Center. Cyclists will learn to ride safely, to control their motorcycles and to do basic maintenance, Ford said.

Each class will consist of 12 hours of instruction during two to four days. Participants will receive in-class instruction and practice on motorcycles. The classes are open to anyone 18 years or older. Those 15 to 18 years of age need parental permission to enroll.

The program is funded by a grant from the Illinois Department of Transportation. More than 4,000 people have completed the program during the last five years, Ford said. Riders completing the course will earn a certificate which may be used to qualify for lower insurance rates.

Among classes to be held are:

Carbondale, May 26-Sept. 28, SIUC Safety Center; call Carol Hudack, Belleville Area College; call Carol Hudack, Belleville Area College, 235-2700.

East St. Louis, June 5-Sept. 15, East St. Louis High School, call Vanessa Estes, 874-8100.

Edwardsville, July 5-Sept. 5, SIUC at Edwardsville; call Janita Gough, SIUC Office of Continuing Education, 892-2600.

### New office to aid taxpayers

An office has been established to help Illinois taxpayers who they feel they have not received prompt and appropriate action from the IRS. The office handles problems of billing and payment misunderstandings, excessive delays in receiving refunds and failure by the IRS to promptly answer your question.

The office is not a substitute for the appeals process which does decide technical tax questions.

The Problem Resolution Office can be reached by calling the IRS number listed in your telephone book or by writing or coming into an IRS office. In writing, be sure to include return address and phone number.

In June 1980, Southwestern Bell Telephone Company installed an ECD 16 electronic telephone system at Bi-State. The system, which includes an electronic call queue, is the most sophisticated telephone information system available to any agency in the state today, according to Schmitt.

## Census on employment

How many American workers are holding more than one job? How many are working overtime and what is their overtime pay? What are workers' usual hours on their jobs?

Marvin L. Postma, director of the Bureau's Regional Office in Kansas City, announced that information in response to these questions will be

collected during the week of May 18 to May 22, from a sample of households in this area. The questions are in addition to the usual ones asked in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U.S. Department of Labor.

Households in this area are part of the sample of 71,000 across the country scientifically elected to represent a cross section of all U.S. households.

Results of this monthly survey provide a continuing measure of economic conditions in the nation. The March survey indicated that of the 106.2 million men and women in the civilian labor force, 98.4 million were employed. The nation's unemployment rate was 7.3 percent, the same as it had been in February but down from 1980's high of 7.6 percent.

Information supplied by individuals participating in the survey is kept strictly confidential by law and results are used only to compile statistical totals.

Interviewers who will visit households in this area include: Joan Ritter of East Alton, Carolyn Starr of Caseyville and Dorothy Koenemann of Belleville.

## Mr. SIUE to be chosen

The search for a new "Mr. SIUE" is on. Male students at Southern Illinois University at Edwardsville may be considered for the title by entering the second annual Mr. SIUE contest Thursday, May 14, at 12:30 p.m.

The contest, sponsored by Women for Women, is part of Springfest activities to be held on campus May 13-15. The contest will be held at the Springfest site, which is the lawn west of the University Center.

The contest is "not meant to be taken seriously," a spokesman said. Entrants will be judged in bathing suit, talent and poise categories. A \$25 first prize will be awarded to the male receiving the title.

## County asking for June 2 decertification election

The Madison County board's negotiating committee is recommending that the board set a decertification election June 2 to determine if employees in Local 799 of AFSCME (American Federation of State, County and Municipal Employees, want a new bargaining agent.

Should a majority of the employees vote to decertify, the negotiating committee is suggesting that a winner-take-all election between Teamsters Local 525 and

AFSCME be held in mid-June.

The Teamsters, challenging AFSCME to represent 400 Madison County employees, had hinted at legal action in such a decertification election is held.

Teamster attorney William Brandt of Granite City contends that AFSCME employees—and not the county's negotiating committee—would have to ask for a decertification election, according to a new labor policy the county board approved April 15.

Some county officials, however, disagree with Brandt. They say the labor policy does allow the committee to initiate the election. Assistant State's Attorney Marshall "Zeke" Smith says he is not sure who should initiate the call for an election and he suggests that AFSCME contact its national officers for an opinion.

The county board is expected to vote on the negotiating committee's recommendation at its May 20 meeting.

Joanna Watson, the new president of AFSCME Local 799, said her union is "still strong" and she is confident it will win its struggle against the Teamsters.

She assumed the control of the union when Mrs. Pam Dymas of Madison resigned April 23 because of what she termed the failure of AFSCME's national representatives to help the local in the current dispute. "They are never here when you need 'em," Mrs. Dymas said.

Mrs. Dymas, an employee in the sheriff's department, said she believes Local 799 is large enough to have garnered help from national AFSCME representatives.

She did not blame Bob Brown, an AFSCME official from the Alton area, who she said has had to "spread himself thin."

## Gerontology programs set

The All-University Committee on Gerontology at Southern Illinois University at Edwardsville is sponsoring a series of programs during May on interdisciplinary studies in aging.

"Bio-medical and Family Practice Aspects of Aging: A Geriatrician's Perspective," will be presented Wednesday, May 13, from 6 to 8:40 p.m. in the Board Room of the University Center. The program will be led by Dr. Richard Ham, of the division of geriatrics, department of family practice, at Southern Illinois University's School of Medicine in Springfield.

On Wednesday, May 20 from 6 to 8:40 p.m., "Economic Aspects of Aging" and "Literary Aspects of Aging" are scheduled in the Board Room of the University Center. The session will be presented by Gil Rutman, professor, and Jane Pennell, assistant professor, department of English language and literature at SIUE.

"Cultural Aspects of Aging" will be led by Joyce Aschenbrenner, associate professor of anthropology at SIUE. The program is scheduled Wednesday, May 27 from 6 to 8:40 p.m. in Room 2207, Classroom Building II.

Undergraduate and graduate students in human services, pre-medicine programs, biology, sociology, social work, economics, English literature, and anthropology are especially encouraged to attend the seminars. The general public is also welcome to attend the programs.

To obtain additional information, interested persons may contact Robert B. Hawkins, professor of speech communication at SIUE, by telephoning 618-692-3090.

## 'Y' seeks sustaining memberships in drive

The Tri-City Area YMCA has launched a six-week drive to enroll sustaining members for the 'Y'. Dr. Chris Geroff, chairman of the Drive, announced.

To kick off the 'Y' drive this year, Morris B. Chapman and Jon G. Carlson, representing Chapman-Carlson law offices, presented a check for \$400 to Dr. Geroff and Board President Dr. John Galbreath, to support Tri-City Area YMCA youth programs.

Other community leaders providing leadership for this year's 'Y' campaign are: Joe Hassler, Jack Lee, Bud McMillan, Donald Partney Jr., Irvin Slate Jr., Paul Sodko, and Melvin Wilm-smeyer.

"Unlike regular 'Y' memberships which provide program opportunities for their holders, sustaining memberships actually buy

nothing for the individual or company purchasing one," Dr. Geroff said. "What a sustaining membership does is provide money for 'Y' programs that cannot themselves be self-supporting."

Last year, sustaining members, which included individual and local businesses, enabled the 'Y' to provide a variety of youth programs, including swim team, boxing, day camping, swim lessons, soccer, judo and others.

"Similar campaigns are held in a majority of the 1,321 Y's in the United States," Dr. Geroff said.

"The Y's 1981 goal is \$2,250. YMCA volunteers will be canvassing the community during the next several weeks. However, anyone interested in a sustaining membership can also contact the 'Y' at 876-7200," said Dr. Geroff.

## How to make sure your electric and gas service moves when you do

If you're planning to change residences any time in the near future, we can help make your move a lot easier. Let Illinois Power know—at least one full working day in advance—when you're moving and where. By doing that, you'll make sure your electric

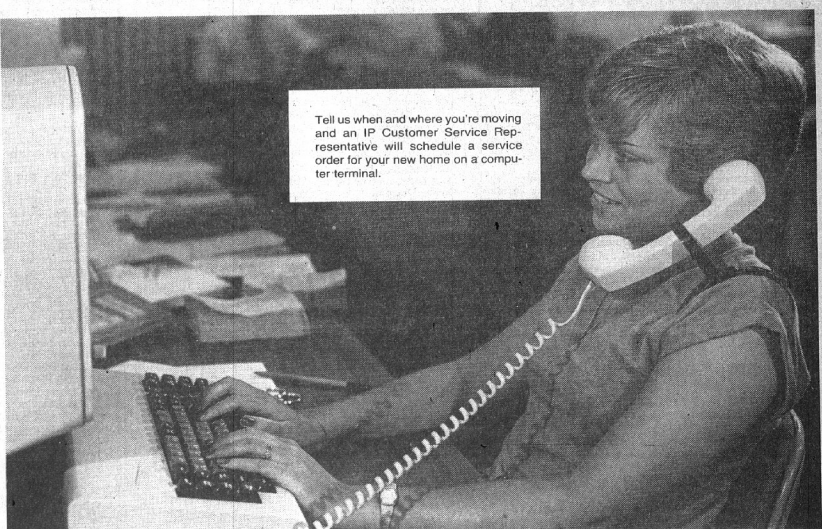

or gas service is connected when you move in.

With at least one day's notice, we can arrange to have your utility services turned on and the account established in your name. And, with enough advance notice, we'll be able to take a final meter reading in

the home you're leaving so your billing period stops as of the day you leave.

Call our Customer Service Representative a day or two in advance and we'll make sure your electric and gas service moves when you do.

**YOUTH ARRESTED**  
Michael W. Howland, 17, of 2706 Iowa St., was arrested and charged with attempted theft and curfew violation, at 2 a.m. Saturday, after the police found him in the yard at 2929 Iowa St., allegedly with a pair of wire cutters in his possession. Cables and locks for two bicycles which were parked in the yard were found cut, according to police.

# Clubs prepare for district show

**People**

Members from 15 garden clubs which are affiliated with District V of the Garden Clubs of Illinois met last week at the Nanceki Recreation Center, Pontoon Road and Franklin Avenue, for a luncheon and workshop.

The noon gathering, photo at left, was hosted by the Cloverview Garden Club of Granite City. Mrs. Merline Roman is president of the local club. The workshop was presided over by District V Director Mrs. Mary Ellen Lindsey of Cahokia.

The workshop was in preparation for the annual spring flower show to be staged by District V Garden Clubs of Illinois, Inc., scheduled for Saturday, May 16. The show will be at Our Lady of The Snows shrine in Belleville.

In the photo at top left, Mrs. Lillian Correll, left, and Mrs. Eleanor Cline of the Edwardsville Garden Club opens the workshop with a program entitled "Rare and exotic house plants." The two display arrangements, the left being a tongue-in-cheek arrangement of play money and coins.

Next on the afternoon program was flower show chairman Mrs. Judy Isellhardt, top right photo, also of the Edwardsville club, who presented the show's schedule making note of rules changes from previous shows. She then made two arrangements using a variety of colors of irises which were representative of two classes of entries for the upcoming show.

District V horticulture chairman, Mrs. Mildred Rank, of the St. Clair County Garden Club, discussed horticulture entries during the workshop and Mrs. Lindsey presented the clubs present with awards from the state organization.

## GC girl in Sunflower pageant competition

Nicole MacLaughlin, daughter of Mr. and Mrs. Bob MacLaughlin, is to compete in the Missouri Sunflower Pageant on Saturday at the Hartford Recreation Center.

Last year, Miss MacLaughlin was crowned Beauty Queen in her division at the Illinois-Missouri Regional. She then competed in the National Sunflower Pageant in Kansas City and was awarded the third alternate position.

Any girl may enter the competition which consists of modeling ability, an individual interview with the judges, a talent portion and photographic ability.

Miss MacLaughlin is 10 years old and resides with her parents at 2881 Cleveland.

### Allen says no to transit post

Terry "Bones" Allen, the new supervisor of Collinsville Township, has turned down an invitation to serve on the three-member Madison County Transit District board.

Allen defeated former supervisor V. Tucker for that post, also removing her from further service on the transit board after May 1. Other members of the transit group are County Board Member William Haine of Alton, chairman, and Mayor Paul Schuler of Granite City.

The ordinance establishing the transit board requires that one member be a county board member, one be a mayor from within the district and one be a township supervisor.

Madison County Board Chairman Nelson Hagnauer of Granite City will have to appoint another supervisor to fill the spot Mrs. Tucker is vacating.

### 2 in car arrested

Marc H. Paisley, 22, Wood River, was released from the Granite City Jail Monday on \$127 cash bond after being charged with illegal possession of cannabis, illegal transportation of alcohol and driving the wrong way on a one-way street.

He was arrested last week when a police officer alleged seeing his car driving eastbound on 27th Street, on the one-way westbound lane near State Street and when the officer finally stopped the car, he alleged finding open beer in the car and a plastic bag of marijuana in Paisley's left sock.

A passenger, David Schenk, 22, East Alton, was charged with illegal possession of alcohol in a motor vehicle and also has been released, pending a court appearance.

### HOUSE RANSACKED

Sherman Clemmons, 1101 Market St., Venice, reported he left his house at 7:30 p.m. Friday and when he returned at 2:10 a.m. Saturday found the door on the west side of his house standing open. There were record albums thrown about the yard and the living room was ransacked, and two Jensen speakers valued at \$229 and a Realistic amplifier and turntable were missing.

### NAMED IN 2 CHARGES

Robert W. Zink, 18, Highland, was charged with disorderly conduct last week at Charlie's Restaurant. He allegedly tried to kick a policeman after being placed in a patrol car, and also was arrested for battery.

## Springfest at SIUE

Southern Illinois University at Edwardsville students will have a chance to relax and escape from their books when three fun-filled days of campus activities are offered during Springfest, May 13-15.

A wide variety of activities is planned, including bands, booths, crafts and contests. Wednesday and Thursday's activities will occur under several large tents on the University Center's west lawn. Day activities are scheduled at the Faculty Club.

The festival will open Wednesday at 10:30 a.m. with a performance by the Triad High School Band. Festivities will continue until 4 p.m. Contests for the day include a tricycle race, a roller skating obstacle race, and a 10-speed bicycle race.

Blackseed, a "reggae rock" band, will play at 11 a.m., and Jasmine, a two-member women's band, will perform at 2 p.m.

Thursday's activities will begin at 11 a.m. with the "big band" sound of the Steve Marino band. Beginning at 12:30 p.m., hungry people can get a dish of the University Center Board's giant banana split for 25 cents. A pie eating contest and the "Mr. SIUE" contest are also planned in the afternoon, and the Walnut Park band will play rock 'n' roll music at 2 p.m.

On both days, Sigma Phi Epsilon will sponsor a volleyball marathon and co-sponsor a teeter-totter marathon with the Alpha Phi's from 12 noon until 4 p.m. Proceeds from the marathons will be donated to muscular dystrophy.

Also on both days, the SIUE Police will be engraving bicycles free of charge with I.D. numbers. This will register the bikes on campus and help the police trace stolen bicycles.

Craft, food and chance booths will also be set up on both days. The food and chance booths are run by student organizations and are fund-raising efforts for the groups.

On Friday, the Tower Lake swimming area will officially open. At 12 noon, there will be a bar-b-q of pork steaks, baked beans, potato salad, fruit and sun tea. There is a \$1 charge for lunch.

Foot loose, a country western band and Mopeds, a punk rock band, will also perform. In the afternoon,

there will be a tug o' war contest, canoe races, a biathlon and a display of equestrian arts.

At 5 p.m. at the Faculty Club, there will be a bar-b-q and beer garden. A hamburger plate with potato chips will be served for \$1.75. A SIUE jazz combo will also play from 5 to 7 p.m.

Timothy P and The Rural Route 3, a country rock band, will play from 7 to 11 p.m., and awards from the contests held that afternoon will be presented at 8 p.m.

The activities are open to the public. For more information, interested persons may call Student Activities at (618) 692-2686 or the University Center Board at (618) 692-2617.

## That's why the lady smokes cigars

By NANCY ANDERSON

MIAMI — "It's better for your health," said Susan Clark as she lit her cigar.

After practicing a scene with Gabe Kaplan, she was practicing her vice (if you care to call it that) in the fenced yard of a Miami warehouse.

The warehouse was loaded with whiskey, top-grade stuff, but its yard was loaded with armaments, all props for "Nobody's Perfect," the movie in which Clark and Kaplan were starring.

Also starring were Robert Klein and Clark's husband, Alex Karras. Peter Bonerz, who used to be the dentist on Bob Newhart's TV series, was directing and playing a cameo.

Susan's cigar was no slim, ladylike affair but a big, smelly roll of tobacco of the sort George Kennedy chomps. It seemed odd in juxtaposition to her beautiful face.

But, she was explaining, it wasn't filling her lungs with nasty, death-dealing nicotine, and so she preferred it to a cigarette.

A year or two ago, she said, a doctor told her that, while all smoking is bad, cigar smoking is preferable, healthwise to enjoying a more ladylike cigarette. "Because you don't inhale. Also, this will last me all

SUSAN CLARK

day. One cigar will last almost anybody for hours unless you happened to be Winston Churchill who'd go through a box of cigars and a quart of brandy between sunrise and sunset."

Susan began smoking when she was about 14 years old, because, amongst her peers, it was the sophisticated thing to do.

For a while, she smoked only in a locked bathroom until a neighbor called her parents to ask whether their house was on fire. At that, Clark's mother and father invited, "If you're going to

smoke, smoke with us."

So she did. With them and others.

Finally, health-aware at last, she turned to stogies as less dangerous than weeds and more attractive than chews and dips.

Though they've played romantic partners on screen, Clark and Karras aren't the loving couple in "Nobody's Perfect."

She plays Kaplan's sweetie while Alex plays one of his kookie colleagues in an attempt to hold up the mayor of Miami. The movie is about three mental cases, Kaplan, Karras and Klein, who decide to fight city hall starting at the top.

Kaplan plays Dibley, a guy with a memory problem. He keeps forgetting things like how to start his car and how to make love.

Karras plays Swaboda, a man devoted to his mom who happens to be invisible. And Klein is a schizoid who ping-pongs between Jimmy Cagney and Bette Davis personalities.

Not on the set but in Miami with her parents was 13-month-old Katie Karras, daughter of Susan and Alex and reason for their marriage. Just prior to Katie's birth, Clark publicly said that Karras, more than she, wanted to wed, but that she'd go along with it for the sake of their baby.

After more than a year of matrimony, Susan said, her cigar set aside for the moment, that she still isn't wild about wifehood.

"I've worked too hard to want to be known as someone's wife. But I love Alex and wanted to have a child

with him. And, if you are going to have a child, you should be married to make that child's life easier.

"Yes, I know Alex is known as my husband, but that's different."

Calling Katie "wonderful," Clark continued, "She's walking and has her own vocabulary plus about 10 words of ours. She's bounced around a lot in her first year."

"We were going to build onto our house in California, but when the workmen started and examined the support beams they found they couldn't use them, so they literally leveled the place — flat."

Because of this, Katie has lived in three different, rented houses and an apartment. "She's very adaptable," Susan declared.

While Clark and Karras have their own production company, it isn't involved in "Nobody's Perfect," nor were they hired for the picture as a team.

They formed their production company not only for financial reasons but, "Because we'd gotten to the point where neither of us wanted to do just any role."

"We wanted to do things that were fun or challenging or something."

"As you know, there's a lot of waiting between roles like that, so we started our own company."

Their projects to date have been successful, "But," Susan said, "I wouldn't want to produce but one thing a year, because it's very exhausting. ... Producing is really head work. Acting is much more heart."

"I'd like a nice, even balance."

The next property set for production by the Clark-Karras team is "Made in America," a comedy for NBC, in which the two will star.

Alex is also working on a baseball fantasy in which he'll star but which won't have a part for his wife.

"That's not my trip," Clark said of the fantasy, "but Alex loves it, so I'll probably be executive producer."

# Jayne Meadows' elastic talent

By NANCY ANDERSON

HOLLYWOOD — Jayne Allen Meadows (Mrs. Steve Allen to Steve) has great hopes that "Rise and Shine," a new CBS pilot in which she stars, will go into series, because, she says, "It's screamingly funny."

In the show, Jayne plays a "moral majority type" who is head mistress of a school which has recently gone coed. But you'll find no co-educational cohabiting in the dormitories nor outrageous double entendres in the lines, since the students Jayne oversees are between 10 and 16 years old.

"Chris Barnes is the lead actor," Allen says. "He was in 'The Bad News Bears' which I didn't see, but he's excellent."

Jayne has elastic talent which she's been able to stretch from the headmistress role in a comedy pilot to an interpretation of Catherine the Great in "Meeting of the Minds" for PBS to a guest spot in "Enos," a series she'd never seen until she got that assignment.

However, the series which fires Meadows' greatest enthusiasm is "Meeting of the Minds," the carefully researched series for PBS, which brings together formidable minds from history or, at least, actors miming the owners of those minds.

The series, put together by Allen, is in its fourth season and this year for the first time Jayne wrote the two roles she's played, Catherine the Great and Margaret Sanger.

She approaches the program with a missionary zeal, appropriate to the daughter of a missionary which is what Jayne is. Born in China to missionary parents, Meadows has an integrity, genetic and instilled,

which she brings to her work.

She received an Emmy nomination for her interpretation of Florence Nightingale on "Meeting of the Minds," and this naturally pleased her, but she was more pleased, she says, to have had the opportunity to have refuted certain slanders about the great Englishwoman.

"Meeting of the Minds" is my crusade to clear up some of the gossip about these people," Jayne says with passion. "Florence Nightingale, for example, was a most educated, brilliant woman, but, because hospital conditions were so deplorable in her time, and because nurses were generally prostitutes, she was slandered."

"She went into the hospitals, reported what she saw and tried to correct the conditions, and, as a result, she was accused of having sexual relations with the soldiers. This was to discredit her and the things she was saying about the care the men had been getting."

Moving on to Margaret Sanger, Jayne says that, though "most people associate her name with abortion," the birth control crusader stood firmly opposed to abortion and, therefore, became an evangelist for other means of birth control.

While Jayne has a right to be pleased with her accomplishments as an actress, she's most pleased with what she's accomplished in private life by way of motherhood.

She's rightly proud of her only son Bill.

"He graduated first in his class from practically every school he attended," she says, "and now he's a junior programming executive at CBS. He's taller than Steve

and quite handsome.

"Bill looks a little like Robert Redford."

Dennis Weaver, known primarily as an actor, has a lively record out in "Calhoun," sung with his wife Gerry as a Jeremiah release.

To promote their new project, the Weavers went to Nashville, Tenn., for a Grand Ol' Opry appearance, a turn on "Back Stage at the Opry," and a buffet supper at the home of Mae Axton, Hoyt Axton's mom.

Mae set a sumptuous buffet, but, since her honored guests are vegetarians, it featured red beans, squash casserole and corn on the cob instead of T-bones.

## Mr. and Mrs.

IN THE EARLY DAYS OF RADIO, PRODUCERS DISCOVERED THEY COULD HAVE READY-MADE AUDIENCES BY AIRING THE ADVENTURES OF ALREADY-ESTABLISHED COMIC STRIP CHARACTERS. ONE OF THE FIRST STRIPS TO BE HEARD OVER THE AIRWAVES WAS THE POPULAR MR. AND MRS. CREATED BY CLARE BRIGGS.

JACK SMART, WHO LATER BECAME THE FAT MAN ON RADIO, PLAYED JOE, THE ROLE OF VI WAS PLAYED BY JANE HOUSTON, DESTINED TO BECOME A SUPPORTING ACTRESS ON SOAP OPERAS (SHE WAS MRS. GROSVENOR ON STELLA DALLAS).

MR. AND MRS. PREMIERED OVER CBS IN 1929. LATER A PROGRAM WITH THE SAME TITLE BUT NOT BASED ON THE COMIC STRIP Aired OVER KNX LOS ANGELES. IT FEATURED EDDIE ALBERT AS JIMMIE AND GEORGIA FRIED AS JANE.
